Subject: A-1 and recently filed D-2 discrepancy

Dear Board of Elections:

During the second quarter of 2016 Friends of Carol Ammons used multiple systems to file required election disclosure reports. As such there were some minor discrepancies between the A-1 filed on June 23rd and our D-2 Quarterly Report .

Ameren Illinois listed on the A-1 should be listed as Ameren Illinois Pac and is correctly done so on the D-2 Quarterly report. The address has also been corrected for this entry. We also reported two \$1,000 contributions from Illinois Laborers' Legislative Committee on the A-1 filed on June 23rd. These contributions are reported on the D-2 quarterly report however one of the contributions is reported as IL Laborers' Legislative Committee. In this case Illinois was mistakenly abbreviated to IL. I regret any confusion this may have caused.

Best Regards,

Wayne Williams
