ATTN: Campaign Disclosure

To whom it may concern:

I am writing to inform you of an error I made on the filing of a Schedule A-1 on November 16. My name is Frank Guerino and I am the treasurer for the Committee to Elect Mel Thillens.

On November 16, I filed a Schedule A-1 for five In-Kind contributions. All of these contributions were made on November 15, 2016. One of these contributions, for vendor Robert Williams in the amount of \$1,137.00 was mistakenly listed as being made on November 8, 2016.

I corrected the date in the database, then filed another A-1 for only the corrected In-Kind. After speaking with John Levin of your department, he suggested I write to you detailing the mistake and correction.

Thank you

Frank M. Guerino
Treasurer, Committee to Elect Mel Thillens
