Re: Ballot Forfeiture

Date: December 30, 2015

Attached is the list of candidates subject to ballot forfeiture for the March 2016 General Primary Election. Any candidate whose political committee owes a civil penalty to the Board cannot be certified to the ballot by either the Board or the county clerk.

As of December 30, the candidate-related committees with unpaid fines that have filed nominating petitions with our office are as follows:

<u>Committee</u>	<u>Candidate</u>	<u>Office Sought</u>	<u>Fine Owed</u>
The Friends of Andre Smith	Andre Smith	5 th Representative	\$275
Jones for State Rep	Thaddeus Jones	29 th Representative	\$5,925
Citizens for Kent Gray	Kent Gray	99 th Representative	\$4,550

An oral update on the status of these candidates will be given to the Board at the January 7 meeting.

The attached list includes candidate-related committees, both active and final, with unpaid fines as of today's date. Candidates and officers of these committees have been sent letters advising them of the fact that the candidates will not be certified if their political committees owe civil penalties. County clerks and boards of election commissioners have also been sent the list. The list is updated as needed when fines are paid.

Candidates who file petitions with the Board have until January 7 to pay any outstanding fines. Candidates who file with the county clerk have until January 13 to pay their fines.

The applicable section of the law follows:

10 ILCS 5/9-30. Ballot forfeiture. The State Board of Elections shall not certify the name of any person who has not paid a civil penalty imposed against his or her political committee under this Article to appear upon any ballot for any office in any election if the penalty is unpaid by the date required for certification.

The State Board of Elections shall generate a list of all candidates whose political committees have not paid any civil penalty assessed against them under this Article. Such list shall be transmitted to any election authority whose duty it is to place the name of any such candidate on the ballot. The election authority shall not place upon the ballot the name of any candidate appearing on this list for any office in any election while the penalty is unpaid, unless the candidate has requested a hearing and the Board has not disposed of the matter by the date of certification.
