STATE BOARD OF ELECTIONS
Regular Board Meeting
July 19, 2010

MINUTES

PRESENT:	Bryan A. Schneider, Chairman Wanda L. Rednour, Vice Chairman Patrick A. Brady, Member John R. Keith, Member William M. McGuffage, Member Albert S. Porter, Member Jesse R. Smart, Member Robert J. Walters, Member
ALSO PRESENT:	Daniel W. White, Executive Director Rupert Borgsmiller, Assistant Executive Director Steve Sandvoss, General Counsel Amy Calvin, Administrative Specialist II

The regular meeting of the State Board of Elections was called to order via videoconference means at 10:30 a.m. with all Members present. Chairman Schneider and Members Brady, Keith, McGuffage and Porter were present in the Chicago office and Vice Chairman Rednour and Members Smart and Walters were present in the Springfield office. Member Brady exited the meeting at 12:05 p.m. and Chairman Schneider held his proxy.

The Chairman opened the meeting by leading everyone in the pledge of allegiance.

Member Brady moved to recess the State Board of Elections and reconvene as the State Officers Electoral Board. Member Keith seconded the motion which passed unanimously. The meeting recessed at 10:34 a.m. and reconvened at 10:40 a.m. A second roll call was taken with all members present.

The Executive Director presented the minutes from the June 11 regular Board meeting and noted that there were a few minor revisions as suggested by Member Keith. Member McGuffage moved to approve the minutes with the changes presented. Member Porter seconded the motion which passed unanimously.

The Executive Director began his report with preparations for the November 2, 2010 General Election and indicated that legislation was passed that revised a number of election dates including the date of certification and the August Board meeting date. The election judge training schools listing was presented for informational purposes and noted that a number of training schools were already scheduled. The last item was consideration of the ES&S AccuVote (under-vote) modification and the Executive Director asked Dianne Felts to give a report. Ms. Felts explained that last December the Board approved the modification to the in-precinct optical scan system only for the General Primary Election due to time restraints at that time. Staff tested twenty-one mock precincts and ran 155,000 votes marked on the ballots and all were counted accurately. The only issue found is when

the system operates on battery back-up power it will lock up, but once electricity is restored the machine returns to normal procedures. Ms. Felts then asked the Board for two year approval of the modification. In response to a question Ms. Felts explained that Populex chose not to go back for testing and ES&S cannot go back for testing because the Department of Justice will not allow them to change their firmware. Member Smart moved to approve the modification for two years as recommended by Ms. Felts. Member McGuffage seconded the motion which passed by roll call vote of 8-0.

To accommodate a scheduling request of legal counsel for three campaign disclosure matters, the Chairman moved to item 3.a.11, *SBE v. 8th Ward Regular Democratic Org.*, 10DS109. Michael Kasper was present on behalf of the committee. The General Counsel summarized the appeal and indicated he did not concur with the recommendation of the hearing officer and recommended the appeal be granted due to electronic filing issues. Mr. Kasper also concurred with the General Counsel. Member Smart moved to accept the recommendation of the General Counsel and grant the appeal. Member McGuffage seconded the motion which passed by roll call vote of 6-2 with Members Keith and Walters voting in the negative.

The Chairman presented item 3.a.3, *SBE v. Fair Illinois Committee*, 10DS238. Mr. Kasper indicated he did not file an appearance in this matter because he understood the committee had terminated. The General Counsel explained that termination of the committee does not moot the case, however, if the committee remains dissolved for a period of two years following the final order issued in this case the penalty would be abated. According to SBE rules, the committee has an obligation to pay the fine prior to going out of existence if they have the funds and if proceedings have begun the committee is prohibited from termination prior to paying the penalty. After discussion it was determined that Mr. Kasper would file an appearance the matter be placed on the August meeting agenda.

The Chairman returned to the report of the Executive Director. Mr. White presented the HAVA audits and informed the Board that staff was conducting on-site visits to local jurisdictions to ensure HAVA funds have been properly spent. Staff physically inspects equipment to ensure it has been properly inventoried and identified and also checks other accessibility items purchased with HAVA funds. He verified that these are not financial audits and the jurisdictions are chosen randomly by geographical location and size. Mr. White indicated he would forward the internal audit reports to the Board so they may be informed as to what jurisdictions are being audited and the results of those visits.

The next item on the agenda was an update on the Campaign Disclosure Information System (IDIS) upgrade. The Executive Director indicated that we are nearing completion of the upgrade and

Campaign Disclosure and IT staff have been working very hard on the system. Sharon Steward, Director of Campaign Disclosure, explained that IDIS began in 1999 with an outside vendor and other than a few minor changes in 2002, there have been no changes to the program. The program was functional but outdated and because an outside vendor was involved, staff could not make any changes to the program. The new version of IDIS was released to approximately forty committees who volunteered to test the program and positive feedback has been received. The download and installation has been somewhat problematic mostly due to user computers and IT staff has provided support as needed anywhere from five minutes to an hour and a half or two depending on the problem. The new program under current law will go live on July 26 and training sessions will be conducted in Springfield and Chicago. When the new laws go into effect January 1, IT will make the changes to the system and the user programs will be automatically updated. The Executive Director thanked everyone for their hard work, especially Campaign Disclosure and IT staff.

The Executive Director presented the legislative update and pointed out three pieces of legislation that has been recently signed by the Governor. Public Act 96-1003 deals with the student absent form notice and also provides that only election judges may deliver the tally sheets to the election authority. Public Act 96-1004 expands the special write-in and absentee blank ballot, with respect to military and oversees voters to the primary as well as the general election. The third piece of legislation impacts a number of filing dates and the certification date as well. Mr. White explained that House Bill 5820 provides for the joint nomination of candidates for the offices of Governor and Lieutenant Governor and that, secondly, the Governor also signed legislation that would eliminate declaration of party by voters in the primary election. He noted the dates of the veto session and said that we will plan on asking for supplemental legislation.

The Executive Director discussed the budget and explained that even though the budget was greatly reduced it increased by $1.2 million from what was appropriated last year. The budget is crafted in a lump sum form into two categories – operations, and grants and awards. The grants and awards proposal include reductions in election judge reimbursement funding and clerks stipend. There is sufficient funding for the voting integrity center, electronic canvassing and IDIS replacement project. IVRS funding will be split into maintenance for the system and grants to the local jurisdictions and county clerk stipends will be reduced by fifty percent. He explained that the lump sum budget is allocated in the best interest of the operation in a very difficult fiscal year understanding that some required mandated items will not be fully funded. Mr. White stated that it would be appropriate to discuss the operations portion of the budget in executive session as it relates to personal services. In a response to a question the Executive Director indicated that a report will be

generated as soon as possible to include comparisons to how other state agencies are handling their stipends to county officials and will report back to the Board to address the matter.

Mr. White presented the Governor's Executive Order requiring additional spending reductions and it was noted that the State Board of Elections is not bound to follow the Governor's Orders because of independence granted to the Board by the Constitution. However, it was determined that staff have already been addressing some of the situations outlined in the Order and would prepare an Agency proposal following the outline of the Governor's Order and adding additional items if needed that might be unique to the Agency. The Executive Director indicated that he would report to the Board on this matter at next month's meeting.

The IVRS update was presented for informational purposes and suggested the number may go down as the November election approaches.

The Executive Director discussed the FY10 Lump Sum Update and noted that if there are any leftover funds after all financial obligations have been met, those funds would be allocated for the early voting judges of election.

The two year plan of staff activity was presented for informational purposes.

The General Counsel presented a motion to reconsider submitted by the *34th Ward Regular Democratic Organization*, S594, 10AP005 requesting either a reduction in the amount of the fine or set up a payment plan. No one was present for the committee. The General Counsel recommended the motion to reconsider be denied, however, allow the committee to submit a payment plan in writing within ten days and place on the August agenda for consideration. Member Smart moved to accept the recommendation of the General Counsel. Member Brady seconded the motion which passed by roll call vote of 8-0.

The General Counsel discussed *SBE v. Citizens for Brenda Roosevelt*, L13480, 10DS218. Greg Roosevelt was present on behalf of the respondent committee. The hearing officer recommended the appeal be denied and the General Counsel concurred. Mr. Roosevelt thanked the campaign disclosure staff for their assistance and explained that the committee has a $1,100.00 balance at this time. He offered a settlement offer of $800 and indicated he could pay that amount today. Member McGuffage moved to deny the appeal and accept Mr. Roosevelt's settlement offer to be paid today. Member Porter seconded the motion which passed by roll call vote of 5-3 with Members Brady, Keith and Walters voting in the negative.

The General Counsel presented appeals of campaign disclosure fines that the hearing officer recommended be granted for agenda items 3.a.4-8: 4) *SBE v. Fraternal Order of Police*, L12536, 10DS040; 5) *SBE v. Citizens for David E. Miller*, S7508, 10AP012; 6) *SBE v. Committee to Elect Judge Thaddeus L. Wilson*, S9953, 10AP021; 7) *SBE v. Southland Success PAC*, S10263, 10DS201; and 8)

SBE v. Voters' Matter, S10280, 10AP007. The General Counsel concurred with the recommendation of the hearing officer in all cases. Member Porter moved to accept the recommendation of the hearing officer and General Counsel in the matters of 3.a.4-8. Member Smart seconded the motion which passed by roll call vote of 8-0.

The General Counsel presented appeals of campaign disclosure fines that the hearing officer recommended be denied for agenda items 3.a.9, 10, 12, 13 & 14: 9) *SBE v. Citizens for David Webb,* L10269, 10MA009; 10) *SBE v. Painters Local 147 Political Action Committee,* L13060, 10MA003; 12) *SBE v. Citizens for Judge Allen Murphy,* S10063, 10AP023; 13) *SBE v. STOP-IT,* S9909, 10DS241; and 14) *SBE v. Friends of Judge Geary Kull,* S10005, 10D1006. Agenda item 3.a.9 was carried over to a future meeting and item 3.a.14 will be taken separately. The General Counsel concurred with the recommendation of the hearing officer and no one was present concerning the matters. Member Keith moved to accept the recommendation of the hearing officer and General Counsel in agenda items 3.a.10, 12 and 13. Vice Chairman Rednour seconded the motion which passed by roll call vote of 8-0.

The General Counsel summarized *SBE v. Friends of Judge Geary Kull,* S10005, 10D1006 and disagreed with the recommendation of the hearing officer that the appeal be denied because the committee submitted a signed affidavit asserting the report was mailed more than 72 hours prior to the due date. No one was present concerning this matter. Member Smart moved to accept the recommendation of the General Counsel and grant the appeal. Member Porter seconded the motion which passed by roll call vote of 8-0.

The General Counsel discussed *SBE v. Citizens to Elect Judge Wojtecki,* S10081, 10AP030 and indicated he concurred with the hearing officer recommendation to grant the appeal as to the $6,262.00 contribution and deny the appeal as to the $100.00 contribution. No one was present on behalf of the committee. Member Smart moved to accept the recommendation of the hearing officer and General Counsel. Member McGuffage seconded the motion which passed by roll call vote of 8-0.

The General Counsel then presented *Gorman v. Mark Thompson Campaign Committee,* 10CD003 and requested this matter be rescheduled for another meeting due to an illness of counsel for the respondent committee. The Board agreed and the matter is carried over to the September meeting.

The General Counsel presented a draft rulemaking concerning the electronic filing defense stating the factors the Board will have to take into account when this defense is offered. It was agreed to address this issue at the February meeting to allow time to deal with any issues arising from IDIS 2.

Potential ballot forfeiture for 2010 was presented for informational purposes and the General Counsel indicated that letters have been sent out the candidates on the listing and the appropriate

county clerks.

Payment of civil penalties was also presented for informational purposes listing the fines paid in the last month and year to date totals.

The General Counsel indicated there was one item to consider that was not listed on the agenda and asked the Board to consider a request from Citizens to Elect Norman Bolden to enter into a payment plan of $135.00 per month until the total fine of $675.00 is paid in full. The General Counsel recommended to accept the payment plan. Member Smart moved to accept the payment plan proposed by Citizens to Elect Norman Bolden. Vice Chairman Rednour seconded the motion which passed by roll call vote of 8-0.

Member Keith moved to recess to executive session to consider complaints following closed hearings, personnel matters and pending litigation. Member Smart seconded the motion which passed unanimously. The meeting recessed 12:20 p.m. and reconvened at 1:55 p.m.

A roll call was taken and six Members were present. Chairman Schneider and Members Keith, McGuffage and Porter were present in Chicago and Members Smart and Walters were present in Springfield. Vice Chairman Rednour and Member Brady were absent and Member Keith and Chairman Schneider held their proxies respectively.

Concerning *SBE v. People for Pierce*, 10CD070, Member Keith moved to find that the complaint was filed upon justifiable grounds, but there is no need for the matter to proceed to public hearing and the subsequent filings be considered by our staff in due course. Member Porter seconded the motion which passed unanimously.

In the matter of *Goldman v. Friends of Annazette Collins*, 10CD009, Member Keith moved to adopt the written motion that was read in Executive Session and it make a part of the record and have the matter proceed to public hearing in accordance with that on the three issues as recommended by the hearing officer and General Counsel and not proceed to hearing on the other issues as set forth in the written motion that was read in Executive Session:

(c) If a motor vehicle was purchased, does said purchase meet the required finding that the motor vehicle is used primarily for campaign purposes or governmental duties?

Re: Special Election U.S. Senate
Date: August 5, 2010

An order was issued on August 2, by the U.S. District Court for the Northern District of Illinois Eastern Division in Judge v. Quinn declaring a Special Election be held November 2, 2010, filling the U.S. Senate vacancy created by the resignation of Barack Obama on November 16, 2008. As part of its ruling, the court outlined certain provisions for the conduct of this election as follows:

- No primary required.
- Candidates for the unexpired term shall immediately follow candidates for the six year term on the November 2, 2010 General Election ballot.
- The order of the parties and the candidates for the Special Election shall be the exact candidate listing as for the six year term.
- Election Authorities shall transmit abstracts for the special election to the SBE by e-mail attachment or facsimile no later than Friday, November 19.
- Wednesday, November 24 (day before Thanksgiving) is the last day for the SBE to canvass the Special Election results. The canvass period may be extended up to three additional calendar days if abstracts are not received on November 19 or such abstracts contain errors or inconsistencies that are unable to be resolved within the 5 day period after the 19th.

The court order with additional instructions was sent by e-mail to all election authorities and vendors on Wednesday, August 4.

The SBE website has been updated reflecting the same exact candidate lineup for U.S. Senate for the Special Election as listed for the General Election.

The General Election certification to be presented to the Board later this month for its consideration will contain the unexpired term for U.S. Senate. A separate certification for the Special Election isn't necessary

Currently, 13 candidates have filed for U.S. Senate with objections pending against all new party and independent candidates (10).

Memorandum

From the desk of....Cristina Cray, Director of Legislation
Phone: 217-782-1577
Email address: ccray@elections.state.il.us

To: Executive Director White and Members of the Board
Subject: Governor's Amendments
Date: August 4, 2010

Following please find two pieces of election legislation which were amenditorialy vetoed by the Governor.

House Bill 4842 Currie/Sandoval

Requires (now, permits) the State Board of Elections to publish an Internet voters' guide before each general primary in the same manner as before each general election.

Governor Amendatory Veto Message
Proposes to further amend the Election Code. Eliminates the requirement that a voter declare party affiliation when voting at a primary election. Provides that the voter shall receive the primary ballot of each of the established political parties nominating candidates for office at the primary election but may cast a ballot of only one political party, except in certain cases involving statewide political parties and political parties established only within a political subdivision.

House Bill 5206 Brady/Dillard

Authorizes county clerks to use an electronic system for reporting deaths, when established as provided in the Vital Records Act, to purge voter registration records of the names of deceased voters (now, requires county clerks to purge voter registration records by using death-related records). Requires that persons in charge of vital records provide municipal boards of election commissioners with the names and previous addresses of persons over the age of 18 (now, 21) years who died in the past month. Provides that, whether or not an electronic reporting system of death registrations has been established, the county clerk must cancel the voter registrations of deceased persons on a monthly basis.

Governor Amendatory Veto Message
Further amends the Election Code. Authorizes citizens to petition the General Assembly to pass one or more bills initiated by citizens that concern ethical standards of conduct or campaign finance reform. If the bills do not become law, a question advising adoption and approval of the bills must be placed on the next general election ballot. Specifies procedures for the drafting of bills and the filing of petitions. Adds Reference: 10 ILCS 5/28-15 new.

Please let me know if you have any questions.

Thank you.

STATE BOARD OF ELECTIONS

MEMORANDUM

From the desk of:
Daniel W. White, Executive Director

TO: Chairman Schneider
Vice Chairman Rednour
Members of the Board

SUBJECT: FY11 Cost Control and Spending Reduction Plan

DATE: August 5, 2010

At the July meeting the Board reviewed the SBE 2011 budget appropriation, discussed the current fiscal crisis in the State of Illinois and asked staff to prepare a plan to address these issues. Accordingly, the following State Board of Elections FY11 Cost Control and Spending Reduction Plan is submitted for consideration.

This document identified cost saving efforts that in some instances are already in place and also new measures we plan to initiate in FY11 to address the State's current financial shortfall. The plan represents a concrete effort to cut costs, maximize operating efficiencies, enhance state efforts toward fiscal responsibility and contains 29 specific actions that further cost saving goals.

State Board of Elections
FY11 Cost Control and Spending Reduction Plan

I. Sales of Surplus State Property

- All identified surplus State-owned property has been inventoried and forwarded to CMS surplus warehouses for resale or disposal
- Present equipment inventories will be evaluated for surplus potential, and any items identified as surplus will be forwarded to CMS on an accelerated basis.

II. Reductions in Leasing Costs

- Existing office space is being 'compressed' through space management initiatives (cubicle arrangements instead of walled offices, combining employees in existing space areas) to make the most efficient use of currently available office space.
- Current Springfield office lease (rented building) expires February 2012. SBE is presently working with CMS Facilities Management staff to evaluate agency needs and obtain a new office facility that utilizes State-owned facilities, if compatible to the Agency's operating needs.

III. Energy Efficiency & Conservation – SBE activities:

- Replacement of inefficient fluorescent lighting fixtures in Springfield office with new technology fluorescent fixtures that use less energy.
- Replacement of fixed-setting thermostats in the Springfield office with programmable units to minimize energy usage during off-work hours.
- Worked with Springfield building landlord to replace old A/C roof units with high-efficiency A/C units when feasible.
- Moved agency janitorial activities from evening to early morning daytime hours to minimize lighting and climate HVAC energy usage after office hours.
- Worked with Springfield building landlord to start tuckpointing program of building to minimize energy loss.

IV. Travel Restrictions and Reductions

- Employees are encouraged to use public transportation (ex. Amtrak) when traveling to Chicago office to reduce personal vehicle and parking reimbursements.

- Employees needing to travel to specific locations will combine trips with other division staff traveling to the same location or area to reduce travel costs and increase efficiency.

- SBE videoconferencing equipment is used at Board or other meetings when possible to reduce Board and staff travel expenditures.

- Training sessions (such as IVRS training) is done on a regional basis (instead of a county by county) basis in order to maximize attendees at each meeting and minimize travel costs for local training purposes.

- Out-of-state travel is now approved by the Executive Director when related to the Board's ongoing mission or to the implementation or operation of a non-State funded program or initiative (such as HAVA). Approval of in-state travel by division directors is now limited only to those trips necessary for SBE's ongoing mission, or required by statutory mandate or administrative rule.

V. Telecommunications and Information Technology Reductions

- All Information Technology (IT) maintenance and support contracts are reviewed annually to insure they are accurate, necessary and appropriate. Multi-year agreements are established for ongoing technical support needs when they offer more worthwhile long-term savings than one year contracts.

- SBE is in the process of a comprehensive upgrade of the Agency's voice phone system. This system, once in place, will significantly reduce land-based telephone-related phone costs, eliminate toll calling charges for calls between the Chicago and Springfield offices, and allow faster routing of incoming calls to maximize staff productivity and minimize 'hold' time.

- Steps are being taken (via the comprehensive telephone system upgrade above) to move all agency voice activity to Voice over Internet Protocol (VOIP) technology. This action will significantly reduce telecommunications charges related to land-based voice call activity.

- The SBE IT Division is evaluating combination of primary agency computer equipment ('co-location') in a designated area at the CMS Data

Center along with CMS' proprietary equipment. This step (if feasible with both agencies) would eliminate duplicate costs of maintaining IT infrastructure and security structures, maximize CMS's infrastructure investment and allow SBE to create a secondary 'back-up' location necessary for proper system & data security.

- Major agency IT and Telecommunications expenditures are performed using CMS Statewide Master contracts whenever available. These contracts, negotiated by CMS on behalf of all State agencies, leverage purchasing power and obtain lower prices than the SBE could individually obtain.

- The IT Division is currently undergoing a server consolidation/virtualization project, where a single high-efficiency virtual server can replace several old technology servers at a lower total purchase cost. This initiative will not only reduce the consumption of energy needed for server operation, it will also reduce the climate control cost needed to keep the server equipment at proper operating temperatures. When replaced, the old servers will be immediately moved to CMS-Surplus Property control for possible repurposing or resale.

- PC's, printers, scanners and servers retired from front-line Agency functions are repurposed whenever possible to other secondary duties inside the Agency, in order to maximize the useful operating life of agency IT equipment. For example, PC's purchased for candidate filings are subsequently repurposed for voter search, then records examinations, then distributed to staff to replace the oldest PC's in operation. Old PC's retired from staff usage (if functional) are then used for IDIS training or for public viewing purposes.

- The IT Division is currently evaluating the option to delay purchase of certain IT equipment originally scheduled for FY11 to future fiscal years.

- As a cost-cutting measure, the IT Division is intending to forgo attendance at the biannual technical conference scheduled in FY11, therefore saving associated out-of-state travel and lodging costs.

VI. Cancellation of Unnecessary Memberships and Subscriptions

- SBE is presently evaluating all prior membership and subscription expenditures to determine which subscriptions or memberships can be reduced or discontinued for FY11. Applicable staff are asked to justify need for a subscription or membership when a renewal is requested.

- SBE will perform additional evaluation of division director requests for Illinois Consolidated Statutes (ILCS) subscriptions for their staffs, to determine where ILCS statutes subscriptions can be combined with those of other SBE staff to save or eliminate subscription costs.

VII. Reductions in Printing Costs

- SBE is in process of converting print-based voter assistance publications to Internet-based access. Under Internet-based access, those desiring a SBE publication will be able to access, download and print the publication from the SBE website, which saves the Agency both publication and mailing costs.

- SBE will continue to increase utilization of Right Fax and other Net-based mailing methods to distribute memorandums, mailings or other forms to local election jurisdictions and candidate committees. Increased usage of these applications is expected to reduce costs in the printing, paper, and mailing envelope expenditure areas.

VIII. Reductions in Personnel Costs and Overtime

- Cash payment for SBE employee overtime will be discontinued on a general basis for FY2011. Any requests for cash overtime will be reviewed on a case-by-case basis by the Executive Director.

- Compensated overtime hours (either by cash or by comp time) will be closely evaluated by division directors and agency management. Approval of any compensated overtime hours shall be done on a case-by-case basis.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment
For Delinquently Filing the 2009 December Semi-Annual Report

The Semi-Annual Report was received by the Board on March 24, 2010, 43 days late, resulting in a civil penalty assessment of $5000. Additionally, the Committee had previously been assessed a $150 civil penalty (not appealed, not paid) for late filing of the 2007 December Semi-Annual Report and a $500 civil penalty (not appealed, not paid) for late filing of the 2008 June Semi-Annual Report. The total assessment is $5750.

Jon Erickson, the Chairman of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Erickson states that the report was filed late because he did not have access to the required login information to file the report electronically. Mr. Erickson says that when he took over as chairman of the Committee several years ago, he arranged for a person familiar with the filing requirements to file the Committee's reports. When that person requested the Committee's bank statements for the past year, Mr. Erickson had the bank account transferred to himself from the former chairman, but he was then unable to contact the person designated to file the report. After contacting the Board for assistance, he was able to obtain the login information and file the report electronically as required. Mr. Erickson notes that the Committee has not conducted any financial activity in several years.

I recommend the appeal be denied for lack of an adequate defense. Nothing in the appeal affidavit explains why it took nearly two full calendar months past the deadline for the report to be filed, especially since there was no financial activity to report. Additionally, Mr. Erickson has been the Committee chairman since 2007 and should have had access to bank records prior to the current report filing period. If this recommendation is accepted by the Board, the total civil penalty of $5750 will be due and owing.

Dear Fair Illinois Committee;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contribution and Expenditures
Report Period:	July 1, 2009 through December 31, 2009
Filing Period:	January 4, 2010 through January 20, 2010

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on March 24, 2010, 43 day(s) late. As such, this committee has been assessed a fine of $5000.00.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

If the above listed violation is not appealed and since this is a subsequent violation the previously stayed fine(s) for delinquent filing is now also required to be paid by the committee within 30 days:

Reporting Period	Report Type	Previous Fine Amount
7/1/2007 – 12/31/2007	Semi-annual	$150.00

Appeal Affidavit Supplement

Ultimately, the latest semi-annual report was not timely filed because of an inability to access the required login information to file the report electronically. Because electronic filing is mandatory, the Fair Illinois Committee ("Committee") did not have the option to file a paper report.

The Committee was formed solely and specifically to challenge an attempt in 2006 to amend the Illinois Constitution to ban anti-gay marriage by way of referendum. The Committee was started under the direction of a previous Chairman, James Snyder, and thus he was the original signatory on the bank account for the Committee.

In 2006, the Committee was successful in preventing the referendum from appearing on the ballot. As such, the Committee became dormant and has remained so since. There has been no activity and no funds going either in or out of the Committee's bank account; the account sat dormant. The purpose of the Committee no longer exists.

Several years ago, when Chairman Snyder was appointed to the Circuit Court of Cook County, Jon Erickson stepped in as a place-holder interim Chairman.

Mr. Erickson arranged with a person familiar with the filing requirements to keep the Committee in compliance. This person requested from Mr. Erickson the bank statements for the Committee's account for the past year. Mr. Erickson then made arrangements with Judge Snyder to meet at the bank to transfer the account from Judge Snyder to Mr. Erickson. Once Mr. Erickson secured access to the bank statements, he attempted, without success, to contact the person designated to file the reports.

As such, Mr. Erickson did not have access to the login information to successfully complete the electronic filing. With the gracious help of the Board of Elections, Mr. Erickson was able to obtain the login information and complete the filing.

The Committee recognizes its on-going duty to file the reports within the proscribed time. The Committee understands the importance of the filings and meant no disrespect to either the Board of Elections or the process. The Committee respectfully requests that the Board of Elections to abate the fine for delinquent filing for the above mentioned reasons.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing
the June & December 2009 Semi-Annual Reports

The June 2009 Semi-Annual Report was received by the Board on April 1, 2010, 173 days late, resulting in a civil penalty assessment of $5,000; and the December 2009 Semi-Annual Report was received by the Board on April 1, 2010, 49 days late, resulting in a civil penalty assessment of $5,000. In addition, this Committee had previously been assessed a $5,000 civil penalty (not appealed, not paid) for delinquently filing the June 2007 Semi-Annual Report; a $5,000 civil penalty (not appealed, not paid) for delinquently filing the December 2007 Semi-Annual Report; a $5,000 civil penalty (not appealed, not paid) for delinquently filing the June 2008 Semi-Annual Report; & a $5,000 civil penalty (not appealed, not paid) for delinquently filing the December 2008 Semi-Annual Report. Total assessment is 30,000.

David Webb, the Treasurer and Candidate of the Committee appeared on June 16, 2010 for the appeal hearing.

In the hearing, David Webb stated he used the services of Cheri Cole to prepare his campaign disclosure reports and that she fell ill and passed away in 2008. After a significant amount of time he retrieved the committee's bank records from Ms. Cole's daughter and hired Al Payne, who at the time prepared Mr. Webb's taxes to take over the committee's filings. Mr. Webb lost contact with Mr. Payne and realized that he was not filing the reports as he said he would.

Mr. Webb stated Staff at the State Board of Elections had made several attempts to contact Mr. Payne who indicated the reports would be filed but they never were. It was discovered that Mr. Payne was diagnosed with prostate cancer and was not able to perform job of filing the reports. Mr. Webb stated that during his Mayoral candidacy in April of 2009, he hired Jason Bertrand, an accountant, to file reports and who just recently amended all reports from the December 2000 Semi-Annual until the present. Mr. Webb said that the late filings were not intentional and that due to several issues with obtaining the committee records from his previous bookkeepers, much time had passed until he was able to file the reports. He was not aware of the filing process or the severity of the penalties for the late filings.

I recommend that the appeal be denied for lack of an adequate defense. I understand that the committee relied on Ms. Cole and then later Mr. Payne to file the reports on its behalf and that both bookkeepers had health related issues that prohibited them from filing the reports. I am sympathetic to those circumstances, but it appears that Mr. Webb was always listed as the committee's Treasurer and Chairman, making him solely responsible for ensuring the campaign disclosure reports were timely filed and aware of any consequences if those reports were late or not filed. Since 2007 the State Board of Elections Staff made several attempts to contact the committee and inform them of the requirements in response to the delinquent filings and it was not until just recently that the committee has come into compliance. If this recommendation is accepted by the Board, the amount of $30,000 will be due and owing.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing
A Schedule A-1 for the 2010 General Primary

The Committee received a contribution of $1,000 on 1/6/10, and filed it electronically on a Schedule A-1 on 1/21/10. The total assessment is $1,000.

The Respondent was represented by John Fogarty at the June 15 appeal hearing. Also attending was Chelsea Stanley, the Executive Director of the Lake County Republican Federation.

Mr. Fogarty stated that the Lake County Republican Federation received a $1,000 contribution from Maria Rodriguez for Congress on January 6, 2010 and timely faxed a Schedule A-1 on January 7, 2010. The Committee also attempted to file the Schedule A-1 electronically with the ELECT program and was unable to submit the A-1 due to a technical glitch in the reporting software. Ms. Stanley then contacted and worked with, ELECT, the company that provides the Committee's reporting software. Andy Todd from ELECT had to go to the committee to trouble shoot and update the program. The software version of the program that they had could only file D-2 reports not Schedule A-1s. Once the program was updated the committee electronically filed the Schedule A-1 on January 21, 2010.

The Committee received a contribution of $1,000 on 1/6/10 and faxed in a Schedule A-1 to the Board on 1/7/10. This committee is required to file electronically so the paper filing was considered a non-filing because the Lake County Republican Federation was sent an electronic warning letter on 10/29/08 for failing to electronically file a Schedule A-1 for the 2008 General Election, *Section 100.150(c)(2)*. The electronic warning letter was mailed to the committee, the treasurer and the chairman so the Board met its notification requirement. Mr. Fogarty stated during the appeal hearing that the committee had to wait for Andy Todd to physically come and update the software. As for the software not being able to file the Schedule A-1, I believe this is a more of a vendor software problem but, in order to be consistent with previous Board decisions when an electronic filing issue is used as a defense in regards to delinquent filing, I recommend that the appeal be granted. I am slightly troubled by the delay in filing the report, but do recommend granting the appeal based upon the Committee's electronic filing difficulty. However, since the problem is resolved, it is doubtful that the Board would look favorably upon the use of an electronic filing defense a second time.

Dear Lake County Republican Federation:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Maria Rodriguez for Congress	1/6/10	1000.00	1000.00	1/21/1-	8

The committee is fined a **total** of $1000.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $100.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. Since your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be ***stayed*** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the date of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue Klos at 217/782-1543.

Rupert T. Borgsmiller

* This contribution was reported on the December 2009 Semi-annual Report but should have been reported on a Schedule A-1 Report of Campaign Contributions of more than $500.00, within 2 business days of receipt.

** This contribution did not, by itself, necessitate filing of a Schedule A-1. No fine was assessed for this contribution – it is listed for informational purposes only. A subsequent contribution, when aggregated with this contribution, exceeded the "more than $500.00" threshold and was used as the basis for the fine assessment.

APPEAL AFFIDAVIT

I, Daniel Bryant, the Treasurer for the Lake County Republican Federation ("the Committee"), first being duly sworn, depose and state that I represent that the Committee can offer a good reason or defense to the assessment of a civil penalty in this matter, and that such reasons and defenses are:

1. As for the alleged violation concerning a donation of $1,000 from Maria Rodriguez for Congress on January 6, 2010, the Committee duly filed an A-1 with respect this donation on January 7, 2010 via facsimile. A true and correct copy of this form is attached hereto as Exhibit A.

2. Thus, this A-1 was timely filed, within 48 hours of receipt of the donation at issue.

3. Due to a technical glitch in the Committee's reporting software, the Committee was unable to submit an electronic A-1 report within two (2) business days of receipt of the donation. As soon as the Committee's newly-hired executive director realized that the A-1 at issue had not been filed in electronic format, she rectified the situation immediately by working

with the company that provides the Committee's reporting software. The A-1 was then filed electronically on January 21, 2010.

4. All subsequent A-1 reports filed by the Committee have been properly, timely filed electronically.

5. Any of the actions that are alleged to be violations referred to herein were committed inadvertently, and without any intent whatsoever to violate the Campaign Finance Law.

6. Affiant further sayeth not.

Appeal of Civil Penalty Assessment for Delinquently Filing
Schedule A-1's for the 2010 General Primary

This committee received one $3,000 contribution on 1/12/10, one $10,000 contribution on 1/15/10 and one $2,000 contribution on 1/16/10 and listed them on a Schedule A-1 filed on 1/21/10. The committee received one $1,000 contribution on 1/14/10, one $1,000 contribution on 1/22/10, one $600 contribution on 1/25/10, four $1,000 contributions on 1/25/10 and one $5,000 contribution on 1/26/10 and listed them on a Schedule A-1 filed on 1/29/10. The committee received one $1,000 contribution on 1/14/10, one $600 contribution on 1/18/10, one $1,500 contribution on 1/20/10 and one $1,000 contribution on 1/21/10 and listed them on a Schedule A-1 filed on 1/26/10. In addition, this committee had previously been assessed a $1,175 civil penalty (not appealed, paid) for delinquently filing the D-1 Statement of Organization; civil penalties totaling $255,816.58 (appealed, appeal denied, reduced, paid) for 77 separate A-1 violations for the 2006 General Election; a $50 civil penalty (not appealed, paid) for delinquently filing the June 2008 Semi-Annual report, and a $100 civil penalty (not appealed, unpaid) for delinquently filing the December 2009 Semi-annual report. The total assessment is $30,700.

Marlo Kemp, the treasurer of the committee, appeared on June 15, 2010 for the appeal hearing.

Mr. Kemp stated under oath that every one of the alleged A-1 violations was filed with the wrong receipt date. Fourteen of the contributions in question were reported using the date on the check as the receipt date not the actual date that the committee received the contributions. Mr. Kemp explained that the other contribution is question had to have its date changed because the software would not accept the date listed on the check of 12/18/09 because it was outside of the reporting period so he listed the contribution as being received on 1/12/10. Mr. Kemp stated that he did not know the actual receipt dates of the contributions but he did say they were filed on an A-1 no more than 24 hours after the committee received the contributions.

The copies of the checks Mr. Kemp provided during the appeal hearing show that he could have listed the date of receipt as the date the check was written for 14 of the 15 assessed A-1 violations. The last check I have a harder time understanding why he actually changed the date. I guess I would have hoped he would

have contacted the State Board of Election prior to changing the date that they were listing the contribution as being received on. In an attempt to further clarify the date of the receipt, I requested from the committee the actual deposit dates of the checks. The deposit dates show that all of the checks would have been deposited after the Schedule A-1's were filed and this would correspond with the committee's defense that they used the date on the check as the receipt date. This does not prove that these contributions were then filed timely but this along with the dates on the check backup Mr. Kemp's testimony that these contributions were filed within 24 hours of receipt. Therefore, I recommend the appeal to be granted based on the testimony of Mr. Kemp that the contributions being assessed for A-1 violations were filed timely. I further recommend that the committee appropriately change the contribution received dates of these contributions on an amended Semi-Annual Report and correctly list the contribution reportedly received from Credit Union 1 to the actual source who gave the contribution (Mark G Kilgallon) not the business that provided the cashier's check within 30 days of the effective date of the Final Board Order.

The committee is fined a **total** of $30,700.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the second delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $15350.00, (50% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the date of this assessment for it to be considered. If you have any questions regarding the appeal procedure, please call Sue Klos at 217/782-1543.

Sincerely,

Rupert T. Borgsmiller

* This contribution was reported on the December 2009 Semi-Annual Report but should have been reported on a Schedule A-1 Report of Campaign Contributions of more than $500.00, within 2 business days of receipt.

** This contribution did not, by itself, necessitate filing of a Schedule A-1. No fine was assessed for this contribution – it is listed for informational purposes only. A subsequent contribution, when aggregated with this contribution, exceeded the "more than $500.00" threshold and was used as the basis for the fine assessment.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing
Schedule A-1 for the 2010 General Primary

The Committee received 8 contributions of more than $500 which totaled $13,000, on 2/1/10 and listed them on a Schedule A-1 received by the Board on 2/8/10. In addition, this Committee had previously been assessed a $50 civil penalty (not appealed, stayed) for delinquently filing the December 2009 Semi-Annual Report. The total assessment is $13,050.00.

Attorney John Fogarty appeared on behalf of the Committee on June 15, 2010 for the appeal hearing.

In the hearing, John Fogarty stated that on February 2, 2010, Drew Veeneman electronically filed the Schedule A-1 containing all the contributions that were received on February 1, 2010. The next day, Mr. Veeneman received a call from the State Board of Elections staff indicating that none of the contributions were copied correctly to the Schedule A-1 and it needed to be re-filed with the required contributions. The Committee had technically difficulties and was not able file the Schedule A-1 until February 8, 2010. Mr. Fogarty requested the fine be waived and stated that the committee understood it had a filing obligation to file the required Schedule A-1 and filed it within the 48 hours as required however did not realize the report was blank until notified by State Board of Elections staff.

The committee made an attempt to file the contributions on a Schedule A-1 within two business days on February 2, 2010, however it was blank. The contributions were ultimately uploaded on February 8, 2010, five days after receiving notice by the Board Staff. When asked, Mr. Fogarty was unable to provide a further explanation as to the specific details of the technical difficulties the committee experienced. It is concerning that the committee was not able to take action until several days later to file the Schedule A-1 correctly and only cited a vague defense for the reason of the delay. Considering the sensitive time frame Schedule A-1's are required to be filed and the fact that the committee did not file within a reasonable amount of time after being notified from Staff, I recommend the appeal be denied. Since there is no indication that these violations were anything other than inadvertent, I also recommend that the penalty be reduced to 10% of the original assessment or $1,300. If this recommendation is accepted by the Board, the stay will be lifted from the $50 civil penalty and the total amount of $1,350.00 will be due and owing.

APPEAL AFFIDAVIT

I, Drew Veeneman, the Treasurer for Citizens For Tom Morrison ("the Committee"), first being duly sworn, depose and state that I represent that the Committee can offer a good reason or defense to the assessment of a civil penalty in this matter, and that such reasons and defenses are:

1. As for each of the alleged violations, the donation in question was made to the Committee on February 1, 2010, and I attempted to electronically file an A-1 for each on February 2, 2010. Said filing was made within two (2) business days of receipt of the donations in question, in compliance with the Campaign Finance Laws.

2. The donations in question are from Roger and Florence Morrison; Scott and Melissa Morrison; Leslie Pearson; Luke Praxmarer; Polly Rowland; Eagle Forum State PAC; Family-PAC; and Republican Renaissance PAC. All of these donations are for over $500.00.

3. Subsequently, one day after submitting the A-1 Report for these donations, I received a phone call from the State Board of Elections indicating that a "blank" A-1 Report had been received from the Committee. I had apparently experienced technical difficulties with

software provided by the State Board of Elections, and had inadvertently filed an incomplete A-1 Report.

4. After troubleshooting the software, I was able to file a second A-1 Report for these donations on February 8, 2010, in an attempt to correctly disclose these same donations. Although the second A-1 was essentially an amendment of the first, I was unable to indicate this with the campaign disclosure software. (See Exhibit A)

5. Any of the actions that are alleged to be violations referred to herein were committed inadvertently, and without any intent whatsoever to violate the Campaign Finance Law.

6. Affiant further sayeth not.

To Whom it May Concern:

Responding to your A-1 violation notice, I apologize for difficulties disclosing donations in a timely fashion, however I must emphasize that a good faith effort was made to comply with State Board of Elections rules.

An original A-1 Report regarding these specific donations was submitted in a timely basis on February 2. This report was filed one day after contributions were received. Subsequently, after submitting the A-1 Report, one day later I received a phone call from the State Board of Elections indicating that a "blank" A-1 Report was received. My Technical difficulties with software provided by the State Board of Elections caused an incomplete A-1 Report filing.

After troubleshooting the software, a second A-1 Report was filed on February 8, to correctly disclose these same donations. Although the second A-1 was an amendment, I was unable to indicate this with the campaign disclosure software.

Again, I apologize for the A-1 Report filed on February 8, however it was necessary to re-submit the contributions from the previous A-1 Report filed on February 2.

Thank you for your attention in this important campaign disclosure matter.

Dear Citizens for Susan Kennedy Sullivan for Judge;

This letter is to inform you that this committee failed to file its' D-1 Statement of Organization during the requisite 10-day filing period.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-3 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on November 18, 2009, 63 day(s) late. As such, this committee has been assessed a fine of $1575.00.

In addition, this committee failed to file the following documents during the requisite filing period:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Bill & Daria Foster	1/26/10	2000.00	2000.00	2/1/10	2

The committee is fined a **total** of $2000.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $200.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid, including any previously assessed fines, within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

STATE BOARD OF ELECTIONS V. CITIZENS FOR SUSAN KENNEDY SULLIVAN

NO. _____

EXHIBIT 1

STATE OF ILLINOIS)
) SS
COUNTY OF COOK)

CRAIG MORRIS, being first duly sworn, deposes and says that he is the Treasurer of CITIZENS FOR SUSAN KENNEDY SULLIVAN FOR JUDGE, and the he represents that the said committee can offer a good reason or defense to the assessment of a civil penalty in this matter, and that the reasons and defenses are:

FAILURE TO FILE STATEMENT OF ORGANIZATION

1. As to the failure of the CITIZENS FOR SUSAN KENNEDY SULLIVAN FOR JUDGE to timely file a Statement of Organization, he states that on or about August 4, 2009, the candidate, SUSAN KENNEDY SULLIVAN, retained an attorney, Michael E. Lavelle, of the Lavelle Law Group, to represent her in election matters related to her potential candidacy for nomination in the Democratic Primary to be held on February 2, 2010 for a vacancy on the Circuit Court of Cook County. Mr. Lavelle was to represent her in all legal aspects related to her candidacy.
2. On that date, she paid Mr. Lavelle the sum of $4,500 by check drawn on her account.
3. Mr. Lavelle, who was ill and subsequently died on December 22, 2009, never informed her of the obligation to file a Statement of Organization.
4. On November 9, 2009, objections to her nominating petitions were filed and on or about November 10, 2010 she retained Andrew M. Raucci to represent her in defending against the objections. At that time, she first learned of the obligation to file a Statement of Organization.

5. It took several days to find persons willing to serve as Chairman and Treasurer of the Committee. After finding a Treasurer and Chairman, a Statement of Organization was filed on November 18, 2009.
6. Prior to the date of the filing of the Statement of Organization, no contributions were received other than those from the Candidate.

FAILURE TO TIMELY FILE FORM A-1

1. As to the failure to timely file a Form A-1 related to the $2,000 contribution of Bill and Daria Foster, the failure was inadvertent.
2. Prior to his involvement with this Committee, Affiant, an unpaid volunteer, had no prior experience with filing campaign disclosure reports. Affiant had encountered significant problems with the IDIS software, and had consulted on several occasions with staff of the State Board of Elections concerning his difficulties with the software.
3. The contribution was reported two days late, but before the election and was available to the public before the election.

CONCLUSION

Affiant prays the State Board of Elections to either impose no penalty on either of the allegations, or to reduce the penalty to 10% of the assessment for late filing of the Form A-1, and to reduce the penalty to 10% of the assessment for late filing of Foster contribution, and if reduced, to stay the penalties pursuant to the Rules of the Board.
