STATE BOARD OF ELECTIONS
MONTHLY BOARD MEETING
August 16, 2011

MINUTES

PRESENT:	William M. McGuffage, Chairman Jesse R. Smart, Vice Chairman Harold D. Byers, Member Betty J. Coffrin, Member Ernest L. Gowen, Member Judith C. Rice, Member Bryan A. Schneider, Member Charles Scholz, Member
ALSO PRESENT:	Rupert Borgsmiller, Executive Director Steve Sandvoss, General Counsel Darlene Gervase, Administrative Assistant III

Chairman McGuffage called the meeting to order at 10:06 a.m. and led everyone in the Pledge of Allegiance to the flag.

Seven members were present in Chicago. Member Rice arrived via telephone at 10:31 and Member Schneider at 10:34 a.m.

Orientation for new board members regarding Campaign Disclosure was provided by General Counsel Steve Sandvoss and Campaign Disclosure Director Sharon Steward and was open to the public. Matters discussed are available in the certified transcript of the meeting.

Member Byers moved to approve the Minutes from the June 14 and July 1 meetings. Vice Chairman Smart seconded the motion which passed unanimously.

The Report of the General Counsel began with summaries of two appeals of campaign disclosure fines that were carried over from June and July wherein the hearing officer recommended the appeals be denied.

The first appeal was considered in June and continued to allow the committee to secure counsel. Attorney Courtney Nottage appeared in *SBE v. Citizens for Lightford*, 13872, 11MA004 and contended that the public was not harmed because the required report, although filed on paper and not filed electronically, was faxed and immediately put on the Board's website. Mr. Nottage indicated that there is no provision for imposing a penalty for failing to file electronically. Further, that the late A-1 filings were an unintentional mistake as reflected in the hearing officer's report. Mr. Sandvoss concurred with the hearing officer's recommendation to deny the appeal, but reducing the Schedule A-1 assessment 90% down to $3,025. The applicable rule provides that when a committee files on paper when it is required to file electronically, it is given an additional 30 days to file electronically, and if it is not filed electronically it is considered a non-filing. Mr. Sandvoss was troubled that the filing history of the committee began in 1999 and continues to the present with a continuous record of late reports and assessments. He noted that although these are unintentional, the committee should make a more concerted effort to file their reports timely. Mr. Nottage responded that he was not involved in the previous proceedings and agreed that the validity of said rule might be a question for the Court. Member Smart moved to accept the recommendations of the hearing officer and General Counsel. Member Byers seconded the motion which passed unanimously by roll call vote.

As to the second matter, *SBE v. Cuba Township Republican Club,* 4880 11DS024, Attorney Bob Hanaford appeared for the respondent. Mr. Hanaford summarized the activities of the committee including information that the treasurer was 85 and had dementia when she retired. He indicated that new officers would ensure that all future filings would be timely and asked the Board to consider the report of the hearing examiner but limit the fine to the available assets of the committee at that time. The Board considered this a settlement offer in the amount of $1,345. Member Scholz moved and Member Schneider seconded the motion to accept the settlement offer and the recommendations of the hearing officer and General Counsel. The motion passed unanimously by roll call vote.

Items 3. a. 3 through 19; new appeals of campaign disclosure fines, were considered together. Vice Chairman Smart moved to grant appeals to: *SBE v. Peoples Energy-PAC,* 611, 11AM008; *SBE v. North Central IL Laborers Council PAC,* 630, 11AM009; *SBE v. IL Machinist Non-Partisan Political League,* 758, 11AM013; *SBE v. IUOE Local #649 PAC,* 1155, 11AM016; *SBE v. Dan Rutherford Campaign Committee,* 6752, 11AM074; *SBE v. Builders Association PAC,* 6830, 11AM075; *SBE v. FOP Action IL State Lodge,* 11793, 11AM003; *SBE v. Friends for Hultgren,* 13611, 11DS288; *SBE v. Friends of John Sullivan,* 16708, 10AG073; *SBE v.*

Friends of District 214, 20059, 11DS295; *SBE v. Friends to Elect Toni L. Foulkes,* 20107, 11AJ011; *SBE v. Friends of Stanley Moore,* 20715, 10JS235; *SBE v. Citizens for Kay,* 20925, 10AG077; *SBE v. Indian Prairie Education Assn. PAC for Education,* 21085, 11AM113; *SBE v. Citizens for Circuit Judge Diane Winter,* 22079, 10AG080; *SBE v. Citizens to Elect Steve Egan,* 22615, 10GE035; and *SBE v. Gery Chico for Mayor,* 22977, 11AM126. Member Schneider seconded the motion which passed unanimously. Member Scholz recused himself as to SBE v. John Sullivan, and concurred on all others. It was noted that Michael Reed was present on behalf of the People's Energy PAC.

New appeals of campaign disclosure fines wherein the hearing officer recommended the appeals be denied were considered.

Attorney Mike Kasper was present for the respondent in *SBE v. Citizens for Fred Crespo*, 18583, 10AG053 and agreed with the General Counsel's recommendation to grant the appeal. Mr. Sandvoss clarified that he disagreed with the hearing officer as to the imposition of a civil penalty from a due process standpoint and for that reason he recommended the appeal be granted. For the reasons outlined by the General Counsel, the evidence in the record showing that notice was not received, Member Schneider moved to grant the appeal. Member Coffrin seconded the motion which passed 8-0.

The Chairman recognized Mark Deaton, representing the respondent in *SBE v. Illinois Hospital Association PAC,*675, 11AG066. Mr. Deaton said their violation mirrored the previously considered violations with one exception; his committee's fine was astronomically higher than the others. He said their first, inadvertent late filing involved two of the largest checks they received in one year and proposed a $2500 fine. The General Counsel advised the Board that the new Schedule A-1 assessment statute allowed the Board to impose a fine not to exceed 50% of the total amount of the contributions that were untimely reported, however it may be less and it is up to the board to determine the appropriate amount. Discussion ensued among the Board. Member Scholz moved to modify the hearing officer and General Counsel's recommendations and waive the penalty as to the Associated Management Resources contribution and impose a $2500 penalty on the Risk Management Services contribution. Vice Chairman Smart seconded the motion which passed unanimously by roll call vote.

Mr. Habeeb Habeeb, treasurer of the Champaign County Republican Central Committee appeared to explain to the board that they pay expenses out of this committee's funds and the Lincoln Club is used to accept donations on behalf of the committee. He was recently appointed treasurer and has questioned that policy. He assured the Board that they will hire an attorney to assist them and have already taken steps to close the Lincoln Club and transfer the assets to the Champaign County Republican Central Committee; in essence merging the committees. Mr. Habeeb offered a $300 settlement. Member Byers moved to assess the committee a $300 penalty and Vice Chairman Smart seconded the motion. The motion passed unanimously.

Member Rice disconnected at 11:55 a.m., with the Chairman holding her proxy.

The Chairman called Item 25, *SBE v. Illinois Trucking Association,*PAC 1021, 11AM014, and recognized Mr. Matt Hart, Executive Director of the committee. Mr. Hart and the treasurer mistakenly thought the complaint was for their quarterly report, which was filed May 4th and were unaware new reporting requirements effective January 1st, 2011 requiring contributions of $1000 or more being reported within 5 business days or within 2 business days if received within 30 days of an election. He added that the Trucking Industry PAC has a perfect record of reporting on time, this is the committee's first violation which was unintentional, and requested the civil penalty be waived. Member Schneider was persuaded that this was not a willful or wanton violation and moved to adopt the hearing officer and General Counsel's recommendations and impose a fine of $270, which is due within 30 days. Vice Chairman Smart seconded the motion which passed 8-0.

Three committees requested continuances to future meetings: *SBE v. IL Coin Machine Operators Assoc. PAC,* 712, 11AM012; *SBE v. Naperville Township Republican Org.,* 4987, 11AM073; and *SBE SBE v. ActBlue Illinois,* 19891, 11AM045. Continuances were granted to September and October respectively by order of the Chairman.

The remaining appeals wherein the hearing officer recommended denial were taken as a whole. Mr. Sandvoss concurred with the recommendations and added to item 33 that the penalty be reduced to 10% of the original assessment pursuant to Board policy. Member Schneider noted that no one was present for these committees and moved the appeals be denied subject to the modification with respect to Item. 33. Member Coffrin seconded the motion which passed unanimously. Those matters are: 21) *SBE v. Knox County Democratic Central Committee,* 287, 11AJ002; 22) *SBE v. Illinois Hospital Association PAC (IHA PAC),* 675, 11AG066; 27) *SBE v. Citizens for Moffitt,* 7982, 11AJ005; 28) *SBE v. Friends for Poe,* 9963, 11AM021; 31) *SBE v. The New Students First Party,* 18578, 11AM096; 32) *SBE v. Citizens to Elect Charles Laskonis,* 18887, 10JS238; 33) *SBE v. 23rd Ward Regular Democratic Organization,* 19167, 11AM100; 35)*SBE v. Arab American Democratic Club,* 20046, 11AM107; 36) *SBE v. Citizens to Elect Diane Seiler,* 21566, 10JS241; 37) *SBE v. Committee to Defeat Judge Kathleen Pantle,* 22971, 11DS321; 38)*SBE v. Citizens for Beverly D. Rogers,* 23107, 11D104; 39) *SBE v. Committee to Elect Jeff Radford, Sr.,* 23393, 11AM146; 40) *SBE v. United for 89,* 23420,

11AM149; 41) *SBE v. Hannah 4 LFHS*, 23484, 11AM155; and 42) *SBE v. New Children's First Party*, 23568, 11MA041. The Chairman continued with new appeals of disclosure fines where the hearing officer recommended that the appeals be granted in part and denied in part. Mr. James G. Burke was present in the Springfield office in the matter of Number 43, *SBE v. Friends of James G. Burke*. Mr. Burke acknowledged that three reports were filed because neither he nor his treasurer was aware that contributions of one thousand dollars or more were to be filed within five days of receipt. The hearing officer recommended a $175 dollar fine and Mr. Burke asked the Board to agree with that fine. Mr. Sandvoss concurred with the recommendation. Vice Chairman Smart moved to accept the recommendation of the hearing officer and General Counsel and impose a $175 fine. Member Scholz seconded the motion which passed unanimously by roll call vote.

No one appeared for the respondent in *SBE v. Orland Park United Party*. Mr. Sandvoss indicated that proper notice was served and he agreed with the hearing officer's recommendation. Member Byers moved to accept the report that the appeal be granted in part and denied in part. Vice Chairman Smart seconded the motion which passed unanimously by roll call vote.

Item number 45 was a request for a payment plan from the Cook County Democratic Women. Mr. Sandvoss indicated that they made an initial payment of $450, a subsequent payment of $413 and will pay the remainder in equal installments within the next 12 months. He recommended the Board accept the plan which is to consist of monthly payments of $367 to be submitted over the next 12 months. Vice Chairman Smart so moved and Member Scholz seconded the motion. The Chairman asked for leave for the attendance roll call and hearing no objection, leave was granted and the plan accepted.

The Chairman next called the assessments requiring final orders and indicated an appearance by Mr. Andre Thapedi whose committee was on that list. Member Schneider explained that he was premature in his appearance and that he would have to wait for a final order to contest the merits of the assessment. Member Schneider moved to issue final orders regarding the items on pages 248, 249 and 250 of the Board packet. The General Counsel asked that two committees be removed from the category listed as Multi-Assessments. The Friends of Ike Carothers and Committee to Elect Anita Rivkin Carothers submitted appeals and they are before a hearing officer at this point so they should not be on the list assessing a final order. Those two exclusions were included in his motion. Member Byers seconded the motion which passed unanimously.

A list of paid fines was submitted for informational purposes.

Member Schneider moved to proceed into Executive Session for purposes of considering matters following closed preliminary hearing, a personnel issue and pending litigation. Member Coffrin seconded the motion which passed unanimously by roll call vote.

The Board recessed into Executive Session at 12:30 p.m. and returned to open session at 2:30 p.m.

Roll call was taken to ensure a quorum. Chairman McGuffage held Member Rice's proxy.

Due to a technical malfunction of the tape which resulted in only a portion of Executive Session being taped, Member Schneider offered to clarify certain items discussed in closed session. These involved consideration of matters following closed preliminary hearing, personnel and pending litigation.

Member Schneider moved to enter a finding in *Zurek v.* Pederson, 11CD025, that the issues complained of were substantially addressed with supplemental filings and as a result no public hearing need be ordered. Member Byers seconded the motion which passed 8-0 by roll call vote.

Member Schneider, in connection with *Sherman v. Indian Trails Public Library District*, 11CD023, asked leave that the record show by the Chairman's order that the matter is moved to the October meeting.

In the matter of *Sorock v. Citizens for Wilmette Schools*, 11CD026, Member Schneider moved to enter an order that the complaint was not filed on justifiable grounds and the matter be dismissed. Member Byers seconded the motion. Chairman McGuffage called for leave for the attendance roll call and hearing no objection, the motion was granted.

As to *Quinlan v. Friends of Pete Quattrocchi*, 11CD30, Member Schneider moved to dismiss the complaint for want of prosecution. Chairman McGuffage called for leave for the attendance roll call and hearing no objection, the motion was granted.

In regard to Agenda items 52 through 76, Member Schneider moved to enter orders that the complaints were filed on justifiable grounds and that a public hearing be ordered in those cases. Member Coffrin seconded the motion which passed unanimously by roll call vote. Those matters are: *SBE v. Morton Quality in Education Committee*, 11CD029; *SBE v. Citizens to Elect Eric J. Kellogg*,

11CD033; *SBE v. Citizens for Gaughan,* 11CD034; *SBE v. 47th Ward Political Fund,* 11CD035; *SBE v. First Ward Org.,* 11CD043; *SBE v. Friends for Michelle Chavez,* 11CD047; *SBE v. Vice Chairman Smart seconded the motion and the Chairman asked for leave for attendance roll call, and hearing no objection the leave was granted.

Executive Director, Rupert Borgsmiller, began his report with an update of the electronic canvass, advising the Board that good information was received from Chicago and Cook County and they plan to proceed with gathering information from the other counties. Brent Davis appeared in the Springfield office to answer any questions.

General Counsel Sandvoss was asked to address the judicial petition filing policy statement. He indicated that the statement limited judicial candidates to filing one petition for vacancies in a sub circuit and one petition for vacancies in a circuit. The policy statement further provided that if petitions for nomination are filed for the same person for two or more vacancies in the same circuit or sub circuit, the candidate's name is only going to be certified for the first vacancy for which the petitions were filed. Several scenarios were discussed and Mr. Sandvoss presented two options: First, accept only one petition from the candidate, regardless of how many petitions the candidate attempts to file; or Second, accept all petitions filed by the candidate, but make it clear that the one that is designated as the first is the one that will be certified. A judicial candidate may submit a withdrawal, however additional petitions from that candidate will not be accepted. He added that the first option is easier to administer as there is no ambiguity as to which is the first petition and it is consistent with the statute. The Chairman indicated that option 1 was the more favored one with the party leaders. He then addressed the issue of additional judgeships. He noted that additional judgeships should be treated as vacancies and that should be clarified in our policy statement or rule. Mr. Sandvoss indicated there will be a separate filing station for judicial filings and also noted that the SBE time stamp goes down to a fraction of a second. Member Gowen moved to adopt Option 1 and Member Coffrin seconded the motion which passed unanimously. It was agreed that this policy will be on our website and distributed to the various bar associations and other appropriate organizations.

The Director next presented the door to door canvass that was conducted in East St. Louis. Cheryl Hobson was sent to E. St. Louis for three days. She was not presented with any questions regarding purging of registered voters, but she did explain the proper utilization of the IVRS system and otherwise used her time wisely. The Chairman added that in the future the SBE is willing to send an advisor, but we will not send people on the street to canvass.

A summary of the NASED conference was presented. It was a well attended conference and a very worthwhile event; and the Director noted that it is also a good way to keep up to date with all the federal and HAVA requirements.

Dianne Felts, Director of Voting Systems and Standards asked for approval of the M650 and introduced Mark Mangan of Election Systems & Software, who was present via telephone. This rather large machine is primarily used for tabulating absentee ballots and the three jurisdictions that utilize it are lake, Will and Sangamon. All three jurisdictions like this machine. Vice Chairman moved to grant approval and Member Schneider seconded the motion which passed 8-0 by roll call vote.

Mr. Borgsmiller offered a legislative update. He said that Cris Cray, Director of Legislation, indicated four election bills are on the Governor's desk waiting for his signature or veto. He also noted that the Election Calendar for the 2012 election has been completed and posted on our website.

The Director next presented the Campaign Finance Reform Task Force update. The task force developed a list of issues with the new disclosure law and will decide how to address these individual issues at their September 15 meeting. Their report will be given to the legislature prior to the veto session and an additional report is due by the end of the year.

An amendment to the BEREP Rule was approved by JCAR and has been implemented by the SBE. This rule allows a business to update information through the BEREP website if the business is inactive and no longer is bidding on State contracts.

Kyle Thomas presented an update on IVRS; explaining how the system works and that they were able to show the election jurisdictions how to act on duplicate matches. He noted that once these duplicates are deleted, the number of duplicate matches will drop even further. In response to a question, he stated that Illinois has an agreement with 13 other states to check duplicate matches. Those matches are being addressed by the election authorities.

The Executive Director and Jim Withers, Director of Administrative Services, continued with an update of the relocation of the Springfield office. Mr. Withers summarized the bidding process and stated that Mr. Borgsmiller, Kelley Gray, Kevin Turner and he toured two of the sites. Everyone agreed that the South MacArthur Blvd. office would be a good fit. The other on North Fifth was two floors and would require extensive remodeling, the cooling system did not work and it was very dirty. There were many negatives to that building. A third location bid was rejected due to the building having a severe mold problem. CMS will make a proposal to the SBE as to which location they believe suits our needs and we will have to go through several layers of bureaucracy to get to the final site. The process could take from two to six months.

The fiscal reports were presented for informational purposes and Mr. Borgsmiller noted that approximately $10,000 remains in awards and grants for FY11 and will be held to pay any interest on bills that will not have been paid in a two-month period. The budget total for operations will lapse about $900,000 and the majority of this amount was in personal services due to unfilled vacancies.

The two year plan of staff activity for the months of August and September was presented for informational purposes.

Two follow-up items were revisited. 1) The RFI for testing for VOSS was set aside until further notice. 2) The allocation for the weighted votes for the new 18 Congressional Districts is not completed as there are several jurisdictions that have not submitted their information. This should be completed within the next week and hopefully an amended state plan regarding delegate selection by the Democratic National Convention will be awarded.

Mr. Borgsmiller asked the Board to entertain the idea of changing the Board meeting back to September 19th as the first meeting of the County Clerks Advisory Committee is scheduled for that day. He explained the makeup of the committee and that Assistant Executive Director, Jim Tenuto, will conduct both the Advisory Committee meeting and the Board meeting. The Board agreed to the date change.

There being nothing further before the Board, Vice Chairman Smart moved and Member Scholz seconded a motion to adjourn.

To Whom it May Concern:

I am writing this letter as a motion to reconsider the Final Order that was placed on ID# 18202 for Kane County Republican Advisory Council in the amount of $4900.00. When these reports were originally due, the individual who was handling this process had issues in getting the new software to work with our operating system. The filing process was then turned over to a new individual in May who IMMEDIATELY contacted the State Board of Elections for assistance in getting the software to work and get the two reports filed. I believe he stated that we would be able to appeal the process and would most likely not be charged a penalty since the upgraded IDES software was out of our control. However, we never did receive the appeal paperwork.

Today we received a letter (attached) stating that we now owe $4900.00 in penalties for:

1. In case number 11 MA 015, a $1100.00 civil penalty for the delinquent filing of the November 2010 Pre-election report.
2. In case number 11 MA 015, a $3800.00 civil penalty for the delinquent filing of the December 2010 Semi-annual report.

We are asking that this motion be reconsidered and all penalties waived as now that the software is in place, we are able to file our reports timely and accurately. Please advise us of the next step. For additional information or assistance, please contact my Executive Assistant, Felicia Berger, at 630-485-5837 or via e-mail at feliciab@winesergi.com.

Sincerely,

Daniel A. Sergi, CPCU

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Delinquently Filing a Schedule A-1 Report

The Committee received five contributions totaling $7995.76 on 1/5/11 and reported them on a Schedule A-1 received by the Board on 1/21/11, 6 days late. Additionally, the Committee had previously been assessed a $900 civil penalty (appealed, appeal granted) for delinquently filing a Schedule A-1 in connection with the 2010 General Election. The total assessment is $7995.76

Jason Rowell, the Chairman of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Rowell states that the Committee attempted to electronically file the required A-1 report on 1/5/11, but was unable to do so because of a problem with the Board's electronic filing software. The IDIS version 2.0 program at that time did not give an option for filing a Schedule A-1. Mr. Rowell says he contacted the Board and was told to complete the Schedule A-1 on paper and file it by facsimile transmission, which he says was done on 1/6/11. Mr. Rowell says the next time the Committee logged into the program, on 1/21/11, the A-1 was showing under "Reports Due Now", so they re-filed the report electronically.

There was in fact a technical issue with the IDIS electronic filing software that prevented electronic filing of a Schedule A-1 until approximately January 15. As a result, committees that filed an A-1 on paper during this time, but later re-filed the report electronically were not assessed a civil penalty. However, the faxed version of the A-1 which Mr. Rowell says was transmitted on 1/6/11 was apparently never received by the Board. Without that filing, the Committee does not qualify for the amnesty given to other committees who initially filed on paper. I recommend the appeal be denied for lack of an adequate defense. However, since there is no indication the violation was anything other than inadvertent and unintentional, I further recommend the penalty be reduced to 5% of the original assessment, or $400. If these recommendations are accepted by the Board the civil penalty of $400 will be due and owing. (As of 3/31/11, this Committee reported a funds available balance of $40,453.39.)

The committee is fined a **total** of $7995.76 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $400, (5% of the total amount of contribution(s) reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period has expired. This amount must be paid, including any previously assessed fines, within 30 days of the issuance of the Order.

Enclosed, please find Section 125.425 *Civil Penalty Assessments* and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. Committee, first being duly sworn deposes and states that he/she represents that the said committee can offer a good reason or defense to the assessment of a civil penalty in this matter, and that such reasons and defenses are:

Our committee tried to file Schedule A-1 via IDIS version 2 on the date the contributions were received, January 5, 2011. However under the 'Reports' tab there was no option for Schedule A-1. A call was placed to the State Board of Elections and we were told that there was a glitch with IDIS version 2 and Schedule A-1s were not able to be filed online at this time. We were advised to complete the Schedule A-1 by paper and fax to 217-557-5630. Our Treasurer, Phil Webb, faxed the signed Schedule A-1 on 1/6/11. The next date we logged into IDIS2 was on 1/21/11. It was during this login that we noticed under 'Reports Due Now' it was showing the previously faxed in Schedule A-1 as being due. At 2:36pm we called the State Board of Elections at 217-782-4141 and spoke with John. John advised us to re-file the Schedule A-1 online.

REPORT OF HEARING OFFICER

Appeal of Civil Penalty Assessment for Delinquently Filing Schedule A-1 Reports

The Committee received a $10,624 in-kind contribution on 1/20/11, and reported it on a Schedule A-1 received by the Board on 1/28/11, 1 day late, resulting in a civil penalty assessment of $5,312. The Committee also received a $1,200 in-kind contribution on 3/30/11, and reported it on a Schedule A-1 received by the Board on 4/7/11, 4 days late, resulting in a civil penalty assessment of $600. The total assessment is $5,912.

Charles Erickson, the Treasurer of the Committee, filed a Request for Hearing, and submitted an Appeal Affidavit.

At the hearing held on 8/9/11, Mr. Erickson indicated the late A-1 filings were the result of an innocent mistake. He said the two in-kind contributions in question were both from the same contributor, for donated office space, and in both cases it took a great deal of effort to obtain specific information about the contributions from the contributor. Mr. Erickson said he filed each A-1 on or about the same date that he finally received the notification from the contributor. However, partly as a result of a misunderstanding of the reporting requirements, he indicated the date listed for each receipt on the Schedule A-1s was not the date he received the notification.

Section 9-10(d) of the Disclosure Act states in part, *"...a contribution is considered received on the date...(iii) the public official, candidate, or political committee receives the notification of contribution of goods or services..."* Based on Mr. Erickson's testimony and evidence provided, including a copy of an in-kind contribution notice he obtained from the contributor, it is apparent that for both contributions the Committee reported a receipt date earlier than the actual notification date. The receipt dates the Committee should have used are 1/28/11 and 4/7/11, and these are the dates the two A-1s were filed. As a result, the filings were timely, so I recommend the appeal be granted. The Committee has amended its Quarterly Reports to reflect the correct receipt dates. (As of 6/30/11, this Committee reported a funds available balance of $18,346.38.)

NOTARY PUBLIC, STATE OF ILLINOIS
MY COMMISSION EXPIRES 9-3-2014

1. The statute, 10 ILCS 5/9-10, which covers the issue before us, was a new statute which became effective January 1, 2011. The statute does allow the Board to waive a fine. 10 ILCS 5/9-10(c). The State Board of Elections recently granted a one-time amnesty for failing to file the requisite quarterly report, which is also a new requirement imposed at the beginning of the year. If the State Board of Elections is willing to grant amnesty for the failure to even file a report, it likewise should waive the fine or grant amnesty when the requirement to file was met, it was just missed by one day.

The non filing of a report is far more injurious to the public then the actual filing of a Schedule A-1 one day late. Here, the filing was done. If a one-time amnesty was granted for something far more injurious than this, then a one- time amnesty should be granted here.

2. The A-1 filing contains the same information as the filed report. It is just set off on a different schedule. The same information could be found on Schedule I, In-Kind Contributions, of the D-2 filed for the same period. Once again, the information on the A-1 filings which are at issue here were reported and filed, unlike the unfiled quarterly reports which were given an amnesty.

3. The IDIS system is unclear as to the filing deadline. If one reviews the IDIS system, the last day to file an A-1 for the first quarter was April 7, 2011, the same date the last A-1 was filed which is at issue.

4. The statute allows the Board to consider how many days late the A-1 was filed. Here, both were one day late. The June 3, 2011 letter states the second A-1 was filed four days late but if you count the days the same way the first was calculated, it was one day late. The count is with five business days. This is certainly a mitigating factor here.

5. The statute states the Board may consider whether the political committee made an attempt to disclose the contribution. This political committee did nothing to hide it. The treasurer of the political committee was unaware of the new statute which became effective January 1, 2011 and was not clear from the IDIS system as to when the A-1 filing deadline requirement, which it was believed to be April 7, 2011.

There was no attempt to intentionally ignore the filing requirements. There was no careless disregard for the filing requirements. There was no mindset to avoid the filing requirement. The treasurer of the political committee was merely unaware of the new rule, which as I have stated previously, the non filing of a report by various political committees which were granted amnesty was a much more grievous error than information already provided in the D-2, Schedule I, In-Kind Contributions, and available for anyone to see, but reported on the A-1 one day late, as is the case here.

One-time Amnesty – 2011 March Quarterly Report

Date: 5/24/2011

Description: Beginning January 1, 2011, Political Committees were required to file a Quarterly Report covering the reporting period of January 1, 2011 through March 31, 2011. This Report was due no later than April 15, 2011. As of this posting, numerous Committees have failed to do so. In light of the fact that this is the first instance of reporting on a quarterly basis and the large number of non-filings, the SBE has decided to grant a one-time only amnesty to any political committee that files this report with the SBE on or before JUNE 11, 2011. Specifically, if the Quarterly Report is filed and received by the SBE on or before JUNE 11, 2011, that committee will not be assessed a civil penalty. However, if this Quarterly Report is not filed by June 11, 2011, a Complaint will be filed against the Committee, and civil penalties of up to $5,000 may be assessed as a result of the failure to file. In addition, if the Quarterly Report is filed after June 11, 2011, it will be assessed a civil penalty accruing from the original deadline of April 15.

We understand that the filing of this Quarterly Report represented a major change in the reporting and filing schedule for political committees, which is primarily why the SBE is granting this one-time only amnesty. If your political committee has not yet filed its Quarterly Report, please take advantage of this amnesty by filing such report immediately.

If you have any questions regarding the filing of this report, please contact staff in Springfield at 217-782-4141 or in Chicago at 312-814-6440. If needed, forms may be obtained by accessing the Board website at www.elections.il.gov or by contacting staff at either of the above numbers.

REPORT OF HEARING OFFICER

Appeal of Civil Penalty Assessment
For Failing to File a Schedule A-1 for the 2010 General Election

The Committee was assessed for failing to file a Schedule A-1 in connection with a donation of $3825 from AGC of Illinois. The Committee reported the donation as received on October 19, 2010. The civil penalty was automatically reduced to $383 (10% of the total amount reflected above) as the product of a first A-1 offense.

Matt Davidson, the Treasurer of the Committee, filed an Appeal Affidavit in this matter. Mr. Davidson and attorney Michael Kasper took part in a hearing in this matter conducted by teleconference on August 11, 2011.

Mr. Davidson and Mr. Kasper indicated the donation from AGC of Illinois was inadvertently itemized by the Committee in the original version of its December 2010 Semi-Annual Report. They said the donation amount, in fact, represented 51 separate donations of $75 each from individuals and corporations who participated in an association golf outing in September, 2010. The Committee submitted written confirmation of same and, on August 17, 2011, filed an amended December 2010 Semi-Annual Report that broke down the total of $3825 from the golf outing into itemized and non-itemized receipts based on whether individual contributors donated more than $150 during the reporting period.

I recommend the appeal be granted. The Committee has adequately supported the assertion that the donation amount was initially improperly reported as a single itemized donation amount and therefore was not subject to the Schedule A-1 requirement. As of June 30, 2011, the Committee's reported cash balance was $33,899.86.

Dear Associated General Contractors of IL PAC;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
AGC of Illinois*	10/19/2010	$3,825	$3,825		

The committee is fined a **total** of $3825 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $383, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. Since your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be ***stayed*** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the date of this assessment for it to be considered.

Dear Mr. Levin:

I am writing as a follow-up to our recent conversations regarding the Associated General Contractors of Illinois (AGCI) issue involving our Campaign Disclosure Reports for the reporting period of July 1, 2010 to December 31, 2010. An amendment has been filed to the AGCI semi-annual report to break out the itemized contributions of a total of more than $150 in that reporting period. This was done in reference to the State Board of Elections letter to AGCI regarding our 10/19/10 entry of $3,825 in the original report. The rest of the proceeds represent small donations of less than $150 as part of the AGCI Golf Outing, which was held on September 20, 2010.

Thank you for your technical assistance in this matter. I trust that these clarifications resolve our issues with the State Board of Elections. Should you have any further questions, please contact me at (217) 789-2650.

Sincerely,

Matt Davidson

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Failing to File a Schedule A-1 for the 2010 General Election

The Committee was assessed for failing to file a Schedule A-1 in connection with a donation of $1500 from William Holdridge. The Committee reported the donation as received on October 26, 2010. The civil penalty was automatically reduced to $150 (10% of the total amount reflected above) as the product of a first offense.

Jane M. Torrance, the Treasurer of the Committee, filed an Appeal Affidavit in this matter.

On the Affidavit, Ms. Torrance explained the donation was originally reported by the Committee on a Schedule A-1 on October 27, 2010, one day after receipt. It was reported as a Transfer In from Justice William Holdridge. The donation was subsequently reported as an Individual Contribution from William Holdridge on the Committee's December 2010 Semi-Annual Report and a subsequent amended version of the same Report. The entries on both the Schedule A-1 filed one day after the donation's receipt and the Semi-Annual Reports include identical addresses for the contributor.

I recommend the appeal be granted. Even though the donation was initially identified as a Transfer In when it technically was an individual contribution, the receipt is clearly from the same donor, and the Schedule A-1 filed the day after the contribution was received satisfied reporting requirements. As of June 30, 2011, the Committee's reported cash balance was $86,187.59.

Brady for Senate Inc. offers the following explanation for the questions raised in the finding of an alleged failure to file a timely A-1 report for a contribution by William E. Holdridge.

Following is a screen shot from the State Board of Elections website showing the A-1 for a $1,500 contribution from William E. Holdridge was reported on October 27, 2010, one day after its receipt by the Brady campaign committee.

Contractors For Free Enterprise	Elk Grove Village, IL 60007-6413	$6,000.00 10/26/2010	2A Brady for Senate Inc
Justice William E. Holdridge	207 Main St. ste. 600 Peoria, IL 61602	$1,500.00 10/26/2010	2A Brady for Senate Inc
James Pate Philip Campaign Fund	321 S Dominion Drive Wood Dale, IL 60191-2312	$5,000.00 10/26/2010	2A Brady for Senate Inc

Due to clerical error, it was inadvertently reported as a Transfer-In, rather than as an Individual Contribution. The entry was corrected during a later review, and the contribution was properly reported as an itemized Individual Contribution in the committee's Semi-Annual Report filed on January 20, 2011 (as shown in the following screen shot from the State Board website).

Contributed By	Amount	Received By	Description	Vendor Name	Vendor Address
Holdridge, William 207 Main Street Suite 600 Peoria, IL 616021396 Occupation: Justice Employer: Illinois Appellate Court	$1,500.00 10/26/2010	Individual Contribution Brady for Senate Inc	general donation		

This situation was first raised in a letter dated March 31, 2011 to the committee from Kim Mrozowski of the State Board of Elections, who noted the A-1 had been reported but that the contribution appeared to have been omitted on the Semi-Annual Report. It was explained in a telephone conversation between Ms. Mrozowski of the State Board and Dan Egler of the Brady for Senate Inc. committee on May 9, 2011, and the committee believed it had been resolved.

As shown above, the contribution was reported on an A-1 within two business days of receipt in compliance with the Election Code, and the committee believes the civil penalties have been assessed in error. It asks that the complaint against Brady for Senate Inc. be withdrawn, but in the minimum asks that this appeal be granted.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing
A Schedule A-1 for the 1st Quarter of 2011

This committee received one in-kind contribution of $4,039 and listed it on a Schedule A-1 filed on 3/25/11, resulting in a civil penalty assessment of $2,020. In addition, this Committee had previously been assessed a $1,500 civil penalty (not appealed, reduced, paid) for filing a late Schedule A-1 for the 2006 GP; a $2,000 civil penalty (not appealed, reduced, paid) for filing a late Schedule A-1 for the 2006 GP; a $1,000 civil penalty (not appealed, reduced, paid) for filing a late Schedule A-1 for the 2006 GP; a $1,000 civil penalty (not appealed, reduced, paid) for filing a late Schedule A-1 for the 2006 GP; a $750 civil penalty (not appealed, reduced, paid) for filing a late Schedule A-1 for the 2006 GP; a $100 civil penalty (not appealed, stayed, abated) for filing a late 2008 GE Pre-Election Report. The total assessment is $2,020.

The Respondent was represented by Michael Kasper at the August 9 appeal hearing. Also in attendance was Louisa Keefe the treasurer of the committee.

Ms. Keefe indicated that on election day, 2/22/11, dana hotel and spa donated a room to the committee free of charge. Ms. Keefe stated that she did not know the value of the room and she requested this information from the hotel on more than one occasion. An invoice was received by the Committee on 3/22/11. Ms. Keefe indicated that she filed a Schedule A-1 for the in-kind contribution on 3/25/11 and accidently listed a receipt date of 2/22/11. Ms. Keefe contacted the State Board of Elections and was informed that she could not amend a Schedule A-1 and that she should submit a letter of correspondence explaining the situation and correct the date in her IDIS program. The letter of correspondence was filed with the State Board of Elections on 3/29/11, and the Quarterly Report indicated the correct receipt date.

The Friends of Susana Mendoza reported an in-kind contribution from dana hotel and spa on 3/25/11. The date of the contributions was listed as 2/22/11 and the Committee submitted a letter of correspondence correcting the receipt date on 3/29/11. Since there is no way to electronically amend a Schedule A-1, the Committee did all that it could to correct the initial error. Although Section 5/9-6 (b) states that a contributor shall submit to the treasurer a detailed account of the contribution within 5 business days of making the donation that did not happen in this circumstance. Ms. Keefe indicated that the value of the contribution was unknown to her until 3/22/11 when she received an invoice from the hotel. As per Section 5/9-10 (d)(iii) the committee would be correct in reporting the contribution date of 3/22/11 as the receipt date because that is the date they received notification of the amount. Furthermore, it does not appear that the committee participated in the 2011 consolidated election. The committee would then have had five business days to file this contribution on a Schedule A-1 and they filed the report within that period of time. Therefore, I recommend the appeal be granted. (As of 6/30/11, this committee reported a funds available balance of $24.44.)

Dear Friends for Susana Mendoza:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of $1000 or more as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Dana Hotel & Spa	2/22/11	$4039	$4039	3/25	18

The committee is fined a **total** of $4039 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(c) of the Election Code, the Board may impose fines for violations not to exceed 50% of the total amount of the contribution(s) that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $202, (5% of the total amount of contribution(s) reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period has expired. Since your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be ***stayed*** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee. **Therefore, you need not pay this assessed civil penalty unless another violation occurs**.

Enclosed, please find Section 125.425 *Civil Penalty Assessments* and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Failing to File Schedule A-1 Reports for the 2010 General Election and the 2011 Consolidated Election

No A-1 was filed by the Committee in connection with an In-Kind contribution of $8352.50 from the Illinois Republican Party, originally reported as being received on November 1, 2010, 1 day prior to the General Election. Since it was the first assessment related to a delinquent A-1 filing by the Committee, the civil penalty was automatically reduced to $836 (10% of the amount reflected above). The Committee was also assessed $1000 for a delinquent Schedule A-1 received one day late, on February 21, 2011, in connection with a contribution, received February 10, 2011, from AT & T IL. Prior to these assessments, the Committee had not been fined.

Wayne Rosenthal, the Chairman of the Committee and the Candidate, filed an Appeal Affidavit in this matter. Mr. Rosenthal and attorney John G. Fogarty, Jr., testified at a hearing conducted on August 10, 2011, at 10:30am, at the State Board of Elections, 1020 S. Spring St., Springfield, IL.

Mr. Rosenthal stated the In-Kind contribution receipt date was incorrectly listed as November 1, 2010, on the original version of the December 2010 Semi-Annual Report filed by the Committee. He said the Committee received In-Kind notification of the donation from the Illinois Republican Party on November 3, 2010. The November 3rd date was reflected on both an In-Kind Contribution Notification form submitted by the Committee as part of its appeal and an amended version of the December 2010 Semi-Annual Report, electronically uploaded by the Committee on August 11, 2011. With respect to the delinquent filing of the Schedule A-1 following the $1000 donation from AT & T IL, Mr. Rosenthal stated the Committee experienced technical problems converting to the new version of the IDIS software, leading to the late filing.

I recommend the appeals be granted. The Committee appears to have sufficiently corroborated its assertion November 3, 2010, was an appropriate date to associate with the receipt of the In-Kind donation from the Illinois Republican Party. I also recommend the Committee be given a one-time waiver of the assessment for the late Schedule A-1 reporting the $1000 donation from AT & T IL because of electronic filing issues. Section 100.150 c)5) of the

Rules accompanying the Act states, in part, "If a Committee is assessed a civil penalty for delinquently filing a Report required to be filed electronically and, in the course of its appeal, raises the defense that computer related issues (including, but not limited to, software, firewalls, system failures) prohibited the timely filing of an electronic Report, the Board may consider that defense when determining the final outcome of the appeal." Accordingly, and in keeping with past Board practice, I recommend the one-time assessment waiver be granted. As of June 30, 2011, the Committee reported a cash balance of $480.31.

Dear Friends of Wayne Rosenthal:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act (2010):

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
ILRepublican Party	11/1/10	$8352.80	$8352.80	n/a	n/a

The committee is fined a **total** of $8352.80 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $836. (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

This committee also failed to file the following Schedule A-1's, Report of Campaign contributions of $1000 or more as required by the Illinois Campaign Disclosure Act (2011):

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
AT&T IL	2/10/11	$1000	$1000	2/21/11	1

The committee is fined a **total** of $1000 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(c) of the Election Code, the Board may impose fines for violations not to exceed 50% of the total amount of the contribution(s) that were untimely reported.

Since this is the second delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $250, (25% of the total amount of contribution(s) reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period has expired. This amount must be paid, including any previously assessed fines, within 30 days of the issuance of the Order.

Enclosed, please find Section 125.425 *Civil Penalty Assessments* and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

If you do not appeal this assessment, you must pay your fine within 30 days of the Final Board Order. However, you may also elect to pay the fine at this time. You may mail or deliver payments to the State Board of Elections, Attn: Campaign Disclosure, 1020 S Spring Street, Springfield, IL 62704.

If you have any questions regarding the appeal procedure, please call Jennifer Ronimous at 217-782-1543.

v.

Friends of Wayne Rosenthal,

No. 11 MA 021

APPEAL AFFIDAVIT

I, Wayne Rosenthal, the Chairman of Friends of Wayne Rosenthal ("the Committee"), first being duly sworn, depose and state that I represent that the Committee can offer a good reason or defense to the assessment of a civil penalty in this matter, and that such reasons and defenses are:

1. As for the alleged Illinois Republican Party violation, said contribution was an in-kind contribution that was received by the Committee immediately before Election Day, and the Committee inadvertently did not file an A-1 for this in-kind contribution. Due to the high level of in-kind contribution activity, especially immediately before the General Election, the filing of an A-1 for this contribution was missed. Because this in kind contribution was received immediately before the General Election, and it's A-1 due date would have been November 3, 2010 -- the day after the General Election, there was no prejudice to Candidate Rosenthal's opponent, or to the general public, for the late-filing (or non-filing) of an A-1 for this contribution.

2. Given the high amount of spending activity that took place during this campaign, which was high-profile and expensive for both candidates, the proper A-1 filings for these contributions were unfortunately missed, even though the Committee did timely and properly file numerous other A-1's during the course of the campaign.

3. As for the alleged AT&T IL violation, the Committee experienced some difficulty in converting to the Illinois State Board of Elections' new version of reporting software, and as a result, was only one day late in the filing of an A-1 for this contribution.

4. Any of the actions that are alleged to be violations were committed inadvertently, and without any intent whatsoever to violate the Campaign Finance Law.

5. In filing A-1s for numerous other contributions, and by reporting these contributions on its semi-annual and quarterly reports, the Committee has demonstrated that it fully intended to comply with the Campaign Finance Law, and to live within the spirit of the Campaign Finance Law.

6. I certify, under penalties as provided by law pursuant to Section 1-109 of the Illinois Code of Civil Procedure, that the statement set forth above are true and correct, except as to matters therein stated to be on information and belief, and as to such matters, I certify, as aforesaid, that I believe the same to be true.

7. Affiant further sayeth not.

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment for Delinquently Filing Schedule A-1Reports

The Committee received a $5,000 contribution on 1/23/11, and reported it on a Schedule A-1 received by the Board on 2/3/11, 5 days late, resulting in a civil penalty assessment of $2,500. The Committee also received a $4,930 contribution on 2/14/11, and reported it on a Schedule A-1 received by the Board on 3/5/11, 12 days late, resulting in a civil penalty assessment of $2,465. The total assessment is $4,965.

Chuks Onyezia, the Chairman of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Onyezia states that after receiving the first contribution, the Committee had difficulty filing an A-1 because of the change to a new version of the IDIS electronic filing software. He says the Committee attempted to file using the older version of IDIS, but was unsuccessful, and ultimately needed assistance from the Board on several dates to finally install the program and upload the Report. Mr. Onyezia states that in regards to the second contribution, the Committee mistakenly reported it using the date on the in-kind contribution notification form, rather than on the date the Committee actually received that form, which was 3/4/11.

I contacted Mr. Onyezia to see if he had documentation to support his claim regarding the date of receipt for the in-kind notification form. He was unable to find his copy of the document, but reaffirmed that the Committee had not received it until March 4. It therefore appears the actual date of receipt for reporting purposes would be 3/4/11, so the A-1 filed by the Committee for this contribution was timely. I recommend the appeal in regards to the second contribution be granted. As for the first contribution, in order to be consistent with previous Board decisions where an electronic filing defense is raised, and since this Committee has not previously used such a defense, I also recommend the appeal be granted. (The Committee filed a Final Report on 7/14/11)

2. $4930 in-kind: organization AFSCME: 615 S Second St. Springfield, IL 62705

1. The committee to elect Chuks Onyezia contacted the IL State Board of Elections on January 24th to get assistance with reporting the $5000 contribution from AFSCME that was later entered with a date received as 1/23/2011 (note: actually deposited on 1/24). committee called because we were having difficulty reporting info with the change to version two of the IDIS software. committee also contacted NIC TECHNOLOGIES at 703-861-4715 and left a message there. committee then tried to file the A1 using the old IDIS software. committee called the State Board again to get help with using the new software and with porting over previous information and was then told that even if received confirmation that prior reports were accepted, it may not have been received. Committee was instructed to complete the past couple filings using the new IDIS version, which committee got help with after talking to another official at the IL State Board of Elections on February 2. Committee asked about the A1 and a re-submitted semi-annual report being late and was told that it was OK to file like normal and that there would not be any penalty, particularly in light of the change to the new version (and the snow storm that delayed things further). (FYI: John was my main contact person and his number is 217-782-1561 – committee also talked to a woman and another guy who actually stayed on the phone with committee and walked it through the version 2 steps).

2. The date received listed for the in-kind donation from AFSCME totaling $4930 was listed incorrectly in error. The date that the committee was actually notified about the in-kind was 3/4/2011. Committee mistakenly used the date on the in-kind notification rather then the date of actual notification.

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment for Delinquently Filing a Schedule A-1

The Committee received a $1,875 contribution on 3/31/11, but failed to report it on a Schedule A-1. The total assessment is $940.

Susan Kelty, the Treasurer of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Kelty states that the contribution was listed on the Committee's Quarterly Report as coming from Community Bank of Oak Park River Forest. She says it was actually meant to be filed as a lump sum from various donors, in amounts less than $150. Ms. Kelty adds that a revised Report was later filed, moving the contribution into the non-itemized category.

I contacted the Committee to obtain additional documentation supporting their case. Ms. Kelty provided an itemized breakdown of the $1,875 total, showing the total was in fact made up of 30 contributions of $100 or less. Since these contributions should have been reported as non-itemized, no A-1 was necessary. I recommend the appeal be granted. (As of 6/30/11, this Committee reported a funds available balance of $0.)

Dear Friends of John Phelan:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of $1000 or more as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Community Bank of Oak Park River Forest	3/31/2011	$940	$1875	*	8

As required by the Illinois Campaign Disclosure Act, as amended by Public Act 96-832, your committee is subject to a fine of $940 for delinquently filing schedule A-1 reports. This total ***does not*** reflect any previously assessed fines.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $94, (10% of the above referenced fine amount) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period has expired. Since your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be ***stayed*** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee. **Therefore, you need not pay this assessed civil penalty unless another violation occurs**.

Enclosed, please find Section 125.425 *Civil Penalty Assessments* and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. Appeal of Civil Penalty Assessment for Failure to File Schedule A-1 Reports

The Committee received a $1,000 contribution on 10/14/10 and failed to report it on a Schedule A-1, resulting in a civil penalty assessment of $1,000. Additionally, the Committee received a total of 18 contributions of $1,000 or more between 1/26/11 and 3/9/1, for a total of $21,200, and reported all of these on a Schedule A-1 received by the Board on 3/10/11, between 8 and 23 days late, resulting in a civil penalty assessment of $10,600. The total assessment is $11,600.

Anthony P. Libri, the Chairman of the Committee, filed a Request for Hearing, and submitted an Appeal Affidavit.

The hearing was held on 8/9/11 with Committee Treasurer Brian Schackmann present, as well as attorney Justin Reichert and Committee Secretary Elaine Funk. In regards to the 10/14/10 contribution, Mr. Reichert indicated the Committee just missed the contribution and inadvertently failed to file a Schedule A-1 to report it. In regards to the other contributions, Mr. Reichert stated the Committee was unaware of the new A-1 reporting rules that went into effect January 1, 2011, and filed the Schedule A-1 only after it learned of the requirements. He says the error was unintentional and adds that the Committee did report the contributions, albeit late. The Committee additionally asks for a waiver of some or all of the assessed civil penalty.

In regards to the 10/14/10 contribution, I recommend the appeal be denied for lack of an adequate defense. However, since there is no indication the violation was anything other than inadvertent and unintentional, and since this was the first A-1 violation for the Committee, I recommend the penalty be reduced to 10% of the original amount, or $100. In regards to the other contributions, the Committee should have known of the new A-1 reporting requirements. The Board sent mailings to all committees and additionally posted information and assistance on the Board website to notify and educate committees about the changes to the law. Regardless, even if the Committee had been operating by the old reporting requirements, A-1 reports would have been required for all of these contributions. I must therefore recommend this appeal also be denied. There is again no indication the violations were anything other than inadvertent and unintentional, but since these are the second set of A-1 violations for the Committee, I recommend the penalty be reduced to 50% of the original assessment, or $5,300. If these recommendations are accepted by the Board, the total civil penalty of $5,400 will be due and owing. (As of 6/30/11, this Committee reported a funds available balance of $29,642.68.)

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $100. (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. Supplement to Appeal Affidavit:

The Sangamon County Republican Central Committee (SCRCC) states that all violations cited by the ISBOE were completely unintentional. The SCRCC did not realize that legislative changes became effective on January 1, 2011 that required the filing of A-1 reports on a more expedited basis depending upon the amount of any particular contribution received. The SCRCC did not, however, withhold any information of contributions from the ISBOE. All contributions that the ISBOE has notified us as being reported on in violation of the new filing requirements, were reported in an A-1 Report on March 11, 2011. All of these same contributions were also reported in our Quarterly D-2 Report on April 13, 2011. As further evidence of our simple ignorance of the change in reporting requirements, the SCRCC believes that during the first few months of the year, the ISBOE online reporting system didn't allow for the automatic production of A-1 reports, whereas now there is a function that allows for the automatic creation of A-1 reports on an immediate basis. The SCRCC did not intend to file the paperwork incorrectly. As the reporting changes are new as of January 1, 2011, and all the violations occurred within 3 months of this change, the SCRCC is appealing this matter. The SCRCC has also educated itself as to the reporting requirements currently in effect, and does not intend for errors like this to occur in the future. Therefore, we seek forgiveness of our errors and forgiveness of the amounts of penalty the ISBOE seeks from the SCRCC.

Democratic Party of Illinois 6239

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Failing to File
A Schedule A-1 for the 2010 General Election

This committee received one contribution of $50,000, and one contribution of $15,000 on 10/8/10, but failed to list these contributions on a Schedule A-1, resulting in a civil penalty assessment of $65,000. In addition, this Committee had previously been assessed a $960.36 civil penalty (appealed, granted) for failing to file a Schedule A-1 for the 2002 GP; a $300,000 civil penalty (appealed, granted) for failing to file a Schedule A-1 for the 2008 GE; a $300,000 civil penalty (appealed, granted) for failing to file a Schedule A-1 for the 2008 GE; a $5,000 civil penalty (appealed, granted) for failing to file a Schedule A-1 for the 2008 GE. The total assessment is $65,000.

The Respondent was represented by Michael Kasper at the August 9 appeal hearing.

Mr. Kasper indicated that the Democratic Party of Illinois received and then deposited two contributions on 10/8/10 and failed to file these contributions on a Schedule A-1. He stated that once the contributions were received an email was created and the information regarding these contributions was thought to be sent to the person who files the reports on behalf of the committee. However, the email did not go through. Mr. Kasper argued since the two contributions were from the same deposit he believes these contributions should be considered one violation. He indicated that the rules are rather vague on what can be considered for being stayed and he believes one deposit should be allowed to be stayed as one violation. Mr. Kasper indicated that out of all of the contributions that they received during the election they only missed one deposit. He stated that it does not make sense that a committee could potentially not file a $1,000,000 contribution on a Schedule A-1 and have the penalty stayed but if a committee fails to report two $1,000 contributions from the same deposit that they would be assessed a fine of $200. Mr. Kasper would like the Board to consider the two contributions as one violation and stay the penalty as a first violation. The checks and the deposit slip are attached.

I believe if the Board was to consider Mr. Kasper's belief that a deposit should be one violation a very large loop hole would be created. A contributions receipt date is the date of deposit. Therefore, a committee could hold contributions and then make one very large deposit and not file a single Schedule A-1 for any of the contributions in that deposit even if the committee had 100 contributions of more than $1,000 in that one deposit. Furthermore, if this was allowed the committee could then have those 100 Schedule A-1 violations stayed as a first offense. I do not believe that was the intent of the law. I believe the Statute is clear in relation to this type of circumstance in that Section 5/9-10 (b-5) states that a "*failure to report each contribution is a separate violation.*" Therefore, I recommend the appeal be denied for lack of an adequate defense. However, since there is no indication that these violations were anything other than inadvertent and unintentional, I also recommend that the civil penalty be reduced to 10% of the original amount, or $6,500. If these recommendations are accepted by the Board, the $6,500 civil penalty will be due and owing. (As of 6/30/11, this committee reported a funds available balance of $382,105.91.)

Dear Democratic Party of Illinois:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
United Food & Commercial Workers ABC*	10/8/2010	$50,000	$50,000		
Senate Democratic Victory Fund Corp.*	10/8/2010	$15,000	$15,000		

The committee is fined a **total** of $65,000 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $6500, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed, please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the date of this assessment for it to be considered.

REPORT OF HEARING OFFICER

Appeal of Civil Penalty Assessment for Delinquently Filing Schedule A-1 Reports

The Committee received a $1,500 contribution on 3/18/11 and a $1,000 contribution on 3/22/11, but failed to report either contribution on a Schedule A-1, resulting in a civil penalty assessment of $1,250. The Committee also received a $1,000 contribution on 4/6/11, and reported it on a Schedule A-1 received by the Board on 5/2/11, 13 days late, resulting in a civil penalty assessment of $500. Additionally, the Committee had previously been assessed a $25 civil penalty (not appealed, stayed) for delinquently filing the December 2010 Semi-Annual Report. The total assessment is $1,775.

Sam Cahnman, the Chairman of the Committee, filed a Request for Hearing, and submitted an Appeal Affidavit.

At the hearing held on 8/31/11, Mr. Cahnman stated that all three missed A-1 filings were inadvertent. He stated the first two receipts were missed while he was busy running for alderman, and even though he had made a note in his calendar to file an A-1 for at least one of the contributions, for some reason the A-1 didn't get filed. In regards to the 4/6/11 contribution, Mr. Cahnman said the failure to file an A-1 was the result of his being used to the old law that did not require A-1 filings for contributions received outside the 30-day period before an election. He stated that once he became aware of the change in the law he filed the A-1 immediately, but it was already late.

I recommend the appeal be denied for lack of an adequate defense. While Mr. Cahnman's explanations are understandable, they do not excuse the Committee from the A-1 filing requirements. However, since there is no indication the violations were anything other than inadvertent and unintentional, and since this was the first reporting period during which the Committee had A-1 violations, I recommend the penalty for the first two violations be reduced to 10% of the original assessed amount, or $125. Since the third contribution occurred during a later reporting period, I recommend the penalty be reduced to 50% of the original assessment, or $250. If these recommendations are accepted by the Board, the stay would be lifted from the Committee's previous $25 assessment, and the total assessment of $400 would be due and owing. (As of 6/30/11, this Committee reported a funds available balance of $2,672.41.)

Dear Vote for Sam Cahnman:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of $1000 or more as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Intl Assoc of Firefighters Local 37	3/22/2011	$500	$1000	*	19
IUOE PAC Fund	3/18/2011	$750	$1500	*	21

As required by the Illinois Campaign Disclosure Act, as amended by Public Act 96-832, your committee is subject to a fine of $1250 for delinquently filing schedule A-1 reports. This total ***does not*** reflect any previously assessed fines.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $125, (10% of the above referenced fine amount) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period has expired.

In addition, this committee failed to file the following Schedule A-1s during the second quarter of 2011:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Basic Crafts Council of Mid-Central IL Political Education Fund	4/6/2011	$500	$1000	5/2/2011	13

As required by the Illinois Campaign Disclosure Act, as amended by Public Act 96-832, your committee is subject to a fine of $500 for delinquently filing schedule A-1 reports. This total ***does not*** reflect any previously assessed fines.

Since this is the second delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $250, (50% of the above referenced fine amount) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period has expired. This amount must be paid, including any previously assessed fines, within 30 days of the issuance of the Order.

The late filings in the 1st quarter were due to inadvertence and the the press of my totally volunteer & grassroots campaign. The late filing in the 2nd quarter was due to my decades long experience under the old law, which only required A-1s in the period just prior to an election. I regret the errors despite my good faith efforts to learn & comply with the new law.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing
The 2010 December Semi-Annual Report

The Report was received by the Board on May 10, 2011, 76 days late, resulting in a civil penalty assessment of $3,800. In addition, this Committee had previously been assessed a $300 civil penalty (not appealed, stayed, expired) for delinquently filing the 2002 GP Pre-Election Report; a $150 civil penalty (appealed, granted) for delinquently filing the December 2003 Semi-Annual Report; a $200 civil penalty (appealed, granted) for delinquently filing the 2004 GE Pre-Election Report; a $450 civil penalty (not appealed, stayed, expired) for delinquently filing the June 2006 Semi-Annual Report; a $325 civil penalty (not appealed, stayed) for delinquently filing the June 2010 Semi-Annual Report. The total assessment is $4,125.

Lewis Powell, the candidate, and Larry Powell, the treasurer, of the committee appeared for the August 10, 2011 appeal hearing.

In the hearing Larry Powell indicated that the Committee was using a rather old computer and it became nonfunctional. The computer had to get fixed and that took several months. Once the computer was fixed the committee attempted to transfer the file to a new computer but they were informed that they had to download IDIS 2.0. Larry Powell indicated that he had a problem with the installation of the program, the migration of the file, and then he had to figure out how to use the new system. Larry indicated that he now understands the program and he now knows how to back up the file. Mr. Powell also indicated that the reports were done in good faith and that that report would have been filed if he did not have issues with the electronic filing.

I recommend that the appeal be denied for lack of an adequate defense. The committee has used an electronic filing defense on 2 prior appeals that were both granted. In addition, the hearing officer believes a different computer could have been used without waiting several months for the nonfunctional computer to be fixed. The Semi-Annual Report reflected that the Committee had $.01 in receipts and no expenditures so the program could have been downloaded and the report could have been filed in a rather short amount of time. I looked at the service request that was created for Mr. Powell and he did contact the State Board of Elections on 5/9/11 in relation to a migration error that he had received. The State Board of Elections IT staff assisted Larry Powell on that day and the Committee filed the report on the next day. Therefore, in the opinion of the hearing officer the Committee only presented an acceptable electronic filing defense for the one day. For the forgoing reason, I recommend that the Board assess the Committee for being 75 days late in filing the December 2010 Semi-Annual Report rather than the 76 days late. If this recommendation is accepted by the Board, the stay will be lifted from the previously assessed $325 civil penalty. The civil penalty totaling $4,075 will be due and owing. Furthermore, since

the committee has indicated that they were in the process of reconciling the report and closing down the committee, if they choose to do this they may discontinue fundraising, stop its political activity, pay the civil penalty, or if it lacks sufficient funds to pay the civil penalty in full, pay to the State Board of Elections such sums as it has in its treasury, and file a final report. (As of 6/30/11, this committee reported a funds available balance of $2,229.69.)

Dear Citizens to Elect LewisW Powell III:

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contribution and Expenditures
Report Period:	July 1, 2010 through December 31, 2010
Filing Period:	January 3, 2011 through January 20, 2011

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on May 10, 2011, 76 days late. As such, this committee has been assessed a fine of $3800.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Failing to File a Schedule A-1 Report

The Committee failed to file a Schedule A-1 with respect to an In-Kind contribution valued at $9500 from Otto Engineering, dated February 14, 2011. As it is the first assessment related to an A-1 violation, the assessment is automatically reduced to $475. The Committee was previously assessed $100 for delinquently filing the June 2009 Semi-Annual Report.

Carl Segvich, the Candidate and Chairman of the Committee, filed a Waiver of Appearance and an Appeal Affidavit in this matter.

In the Affidavit, Mr. Segvich stated the Committee did not receive notice of the In-Kind contribution until March 29, 2011. He also indicated the failure to file a Schedule A-1 was unintentional, and the Committee did not gain financially or politically from the oversight. Mr. Segvich also stated the assessment amount is exorbitant.

I recommend the appeal be denied for lack of an adequate defense. Even if the In-Kind donation should have been reported as being received on March 29, 2011, the Committee's Quarterly Report, received April 14, 2011, would not have sufficed as a timely reporting of the contribution. Additionally, the value of the In-Kind was well above the A-1 requirement threshold, and the Committee has been in existence since 2003 and should be aware of the law as it pertains to filing a Schedule A-1. The assessment amount is set by statute. If the Board accepts this recommendation, the stay on the first fine would be lifted, and a total of $575.00 would be due and owing. As of June 30, 2011, the Committee reported a cash balance of $144.64.

Appeal of Civil Penalty Assessment for Failure to File Schedule A-1 Reports

On 3/16/11, the Committee received four $1,000 contributions, a $1,200 contribution and a $1,500 contribution; on 3/28/11 the Committee received two $1,000 contributions, but failed to report any of these on a Schedule A-1. The total assessment is $4,350.

Kathleen E. Geary, the Treasurer of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Geary states that the failure to file A-1s was a result of the change in the law requiring A-1 filings for contributions of $1,000 or more received by the Committee. She describes the error as inadvertent.

I recommend the appeal be denied for lack of an adequate defense. However, since there is no indication the violations were anything other than inadvertent and unintentional, and since this is the first set of A-1 violations for this Committee, I also recommend the penalty be reduced to 10% of the original assessment, or $435. The Committee has been Assessed fines as a result of failing to file AN A-1 report for contributions received in excess of 1,000.00. As Treasurer of this Committee since 2006, this Committee has never committed an error which has resulted in a fine. A change in the rules of reporting contributions in excess of 1000.00 was enacted on January 1, 2011. This Committee's failure to report the contributions within five days of receipt was simply an inadvertent error associated with this rule change. REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Failing to File
A Schedule A-1 for the 2010 General Election

This committee received three contribution of $1,000, and two contribution of $10,000 on 10/20/10, they additionally received four contributions of $2,000, and two contributions of $10,000 on 10/24/10, but failed to list these contributions on a Schedule A-1, resulting in a civil penalty assessment of $51,000.

John Becker, the Committee's independent financial consultant, appeared at the appeal hearing and Avi Goldfeder, the chairman, was made available via telephone at the August 10 appeal hearing.

John Becker indicated that the old IDIS system did not prompt a user when a Schedule A-1 was required as new system does. Therefore, he did not realize a Schedule A-1 was required to be filed for the contributions that the committee received on 10/20/10 and 10/24/10. He indicated that the fines are rather heavy and the assessed amount is greater than funds the Committee currently has. He requests that since the officers of the Committee were not aware of the contributions actually being received that the Committee is not held responsible for his lack of knowledge in relation to these contributions being required to be filed on a Schedule A-1. It was not his intent to hide these contributions, but it was an unintentional error due to Mr. Becker's lack of knowledge.

The fact that Mr. Becker was not aware that the contributions received on 10/20/10 and 10/24/10 were required to be filed on a Schedule A-1 is not a valid defense. Therefore, I recommend the appeal be denied for a lack of an adequate defense. However, since there is no indication the violations were anything other than inadvertent and unintentional, and since this is the first set of Schedule A-1 violations for this Committee, I further recommend the penalty be reduced to 10% of the original assessment, or $5,100. If this recommendation is accepted by the Board, the $5,100 civil penalty will be due and owing. (As of 6/30/11, this Committee reported a funds available balance of $1,880.62.)

The committee is fined a **total** of $51,000 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $5100, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed, please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the date of this assessment for it to be considered.

If you do not appeal this assessment, you must pay your fine within 30 days of the Final Board Order. You will be notified of this payment due date following the Final Board Order. However, you may also elect to pay the fine at this time. You may mail or deliver payments to the State Board of Elections, Attn: Campaign Disclosure, 1020 S Spring Street, Springfield, IL 62704.

If you have any questions regarding the appeal procedure, please call Jennifer Ronimous at 217-782-1543.

* This contribution was reported on the December 2010 Semi-annual Report but should have been reported on a Schedule A-1 Report of Campaign Contributions of more than $500.00, within 2 business days of receipt.

** This contribution did not, by itself, necessitate filing of a Schedule A-1. No fine was assessed for this contribution – it is listed for informational purposes only. A subsequent contribution, when aggregated with this contribution, exceeded the "more than $500.00" threshold and was used as the basis for the fine assessment.

REPORT OF HEARING OFFICER

Appeal of Civil Penalty Assessment
For Delinquently Filing the GE 2010 Pre-Election Report

The Report was received February 7, 2011, 75 days late, resulting in an assessment of $1100. The Committee was previously assessed $300 (not appealed, stayed) for delinquently filing the December 2010 Semi-Annual Report.

John Bracamontes, the Candidate and Chairman of the Committee, filed an Appeal Affidavit in this matter and appeared in person at the Board's offices, 1020 S. Spring St. Springfield, IL, on Wednesday, August 10, 2011, at 10am.

Mr. Bracamontes acknowledged the Committee was delinquent in filing the Report. He cited a "lapse in communication" and noted the Committee was in the process of changing its treasurer and address and the time the Report was due.

I recommend the appeal be denied for lack of an adequate defense. If the Board accepts this recommendation, the stay on the assessment related to the delinquent December 2010 Semi-Annual Report would be lifted, and a total of $1400 would be due and owing. The Committee filed a Final Report with an ending cash balance of $0.00 on August 10, 2011.

Dear Friends of John Bracamontes;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Pre-Election Report of Campaign Contributions
Report Period:	July 1, 2010 through October 3, 2010
Filing Period:	October 4, 2010 through October 18, 2010

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on February 7, 2011, 75 days late. As such, this committee has been assessed a fine of $1100.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. **Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.**

If the above listed violation is not appealed, and since this is a subsequent violation, the previously stayed fine(s) for delinquent filing is now also required to be paid by the committee within 30 days:

Reporting Period	Report Type	Previous Fine Amount
July 1, 2010 to December 31, 2010	Semi-Annual	$300
TOTAL AMOUNT NOW DUE		$1400

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Failing to File
A Schedule A-1 for the 2010 General Election

This committee received a $5,000, and a $2,000 contribution on 10/25/10, but failed to list these contributions on a Schedule A-1, resulting in a civil penalty assessment of $7,000.

The Respondent was represented by an attorney, Michael Woodward, at the August 10 appeal hearing.

Mr. Woodward indicated that as described on the appeal affidavit Robert Faurot, the treasurer of the Committee, is of the belief that a Schedule A-1 was filed for two alleged contribution violations within 2 business days of receipt. However, the Committee has no proof that this Schedule A-1 was filed with the new IDIS program. The appeal affidavit also stated that the Committee had a disciplined and consistent reporting process that was used throughout the campaign.

I recommend the appeal be denied for a lack of an adequate defense. It is ultimately the Committee's responsibility to ensure reports are filed, and the Committee could have checked the Board's website to verify that a report was filed. In addition, since there is no indication that these violations were anything other than inadvertent and unintentional, I also recommend that the penalty be reduced to 10% of the original assessment, or $700. If this recommendation is accepted by the Board, the $700 civil penalty will be due and owing. (As of 6/30/11, this Committee reported a funds available balance of $2,254.20.)

Dear Chang for Change:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
James Gray*	10/25/2010	$5,000	$5,000		
Petroleum Political Education*	10/25/2010	$2,000	$2,000		

The committee is fined a **total** of $7000 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $700, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Delinquently Filing a Schedule A-1 Report

The Report was received April 15, 2011, 60 days late, pursuant to a contribution of $2500 dated January 10, 2011, from the Weiss Memorial Hospital Medical Staff Account. The assessment of $1250 is automatically reduced to $125 (10% of the above referenced fine amount) as the product of the Committee's first delinquent A-1 filing.

Esther Corpuz, the Treasurer of the Committee, filed a request for hearing and an Appeal Affidavit in this matter. Attorneys Donald Craven and Esther Seitz appeared in person for a hearing at the Board's offices, 1020 S. Spring St. Springfield, IL, on Wednesday, August 31, 2011, at 10:30am.

At the hearing, Mr. Craven confirmed the circumstances set forth by Treasurer Corpuz in her affidavit, specifically that the belated submission of the Schedule A-1 was inadvertent. Ms. Corpuz was operating under the guidelines of the Act with respect to A-1 reporting as they existed prior to January 1, 2011. Mr. Craven confirmed Ms. Corpuz has since familiarized herself with the disclosure requirements of the Act.

I appreciate the acknowledgments of both Ms. Corpuz and Mr. Craven but recommend the appeal be denied for lack of an adequate defense. If the Board accepts this recommendation, the assessment of $125 would be stayed as the product of a first offense. As of June 30, 2011, the Committee reported a cash balance of $14,714.05.

Dear Vanguard Health Management IL PAC:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of $1000 or more as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Weiss Memorial Hospital Medical Staff Account	1/10/2011	$1250	$2500	4/15/2011	60

As required by the Illinois Campaign Disclosure Act, as amended by Public Act 96-832, your committee is subject to a fine of $1250 for delinquently filing schedule A-1 reports. This total ***does not*** reflect any previously assessed fines.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $125, (10% of the above referenced fine amount) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period has expired. Since your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be ***stayed*** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee. **Therefore, you need not pay this assessed civil penalty unless another violation occurs**.

Enclosed, please find Section 125.425 *Civil Penalty Assessments* and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

AFFIDAVIT

NOW COMES Esther Corpuz, being first duly sworn, and states and affirms as follows:

1. I am over the age of 21 and am competent to testify herein. The statements of fact in this affidavit are made on my personal knowledge.

2. I work for Vanguard Health Systems in Berwyn, Illinois.

3. I serve as the Vice President of Government and Community Affairs at Vanguard Health Systems and I am also the treasurer of the Vanguard Health Management IL PAC.

4. I received a $2,500 contribution from Weiss Memorial Hospital Medical Staff Account on January 10, 2011.

5. I submitted a Schedule A-1 Report of Campaign contribution as required by the Illinois Campaign Disclosure for that $2,500 contribution on April 15, 2011 as part of my committee's March Quarterly Report.

6. This is the first belated Schedule A-1 filing by me or my committee.

7. My belated submission of this $2,500 campaign contribution was entirely inadvertent and innocent of the recent change in the law concerning the time frames for disclosing such contributions pursuant to Public Act 96-0832 (10 ILCS 5/9-10).

8. I have since familiarized myself with the Public Act 96-0832's disclosure requirements and am aware that Schedule A-1s are now required all year for contributions of $1,000 or more from a single source. I have learned that if my committee receives a 1,000 contribution outside of the 30-day period prior to an election, I must file a Schedule A-1 within 5 business days; if it is within 30 days before an election in which my committee participates, I would have to file a Schedule A-1 within 2 business days.

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment for Failure to File Schedule A-1 Reports
for the 2010 General Election

The Committee received a $1,000 contribution on 10/12/10 and a $474,363.60 contribution on 10/25/10, but failed to report either on a Schedule A-1. The total assessment is $475.363.60.

Leonard Taylor, the Treasurer of the Committee, filed a Request for Hearing, and submitted an Appeal Affidavit.

The hearing was held on 8/9/11 with Mr. Taylor present, as well as attorney Steve Bochenek and Illinois Association of Realtors officials Greg St. Aubin, Cathy Madaus, and Jan Patterson. In regards to the $1,000 contribution, the Committee indicated the failure to file an A-1 was a clerical oversight, and they did not contest the violation. In regards to the larger contribution, Mr. Taylor explained that the money involved was a funds transfer resulting from changes to Illinois disclosure law barring any group from having more than one political action committee. The Illinois Association of Realtors previously operated RPAC (Realtors PAC) and IMPAC (Issues Mobilization PAC), but opted to dissolve IMPAC and transfer the remaining funds from that Committee into the RPAC committee. The date of the transfer was somewhat arbitrary, coming after the Realtors group officially voted to dissolve IMPAC, but unfortunately falling within an A-1 reporting period. Mr. Taylor stated that no A-1 was filed partly because of the unusual nature of the fund transfer, which the Committee did not consider to be an actual contribution. He added that the funds in question were not used in connection with the 2010 General Election, and also pointed out that the details of where that money came from had already been reported under the IMPAC filings.

Effective January 1, 2011, no group in Illinois is allowed to maintain more than one political action committee. The Illinois Association of Realtors was therefore correct in dissolving one of its two committees, and in fact should be commended for doing so well in advance of the deadline. I agree with the Committee that the transfer of funds, while sizable, should not be considered to be an actual contribution in the traditional sense. The movement of funds from one Committee to the other was essentially an internal transfer and did not represent

an influx of new, outside contributions. Therefore, no A-1 was required, despite the fact that the transfer took place in the 30 day period before the 2010 General Election. I recommend that the appeal in regards to the $475,363.60 contribution be granted. In regards to the $1,000 contribution, I recommend the appeal be denied for lack of an adequate defense. However, since there is no indication the violation was anything other than inadvertent and unintentional, and since this is the first A-1 violation for this Committee, I recommend the penalty be reduced to 10% of the original assessment, or $100. As a first violation, the penalty is stayed. (As of 6/30/11, this Committee reported a funds available balance of $786,614.65.)

Dear RPAC - Realtors PAC:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Albert Hanna*	10/12/2010	$1,000	$1,000		
Issues Mobilization*	10/25/2010	$474,363.60	$474,363.60		

The committee is fined a **total** of $475,363.60 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $47,537, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed, please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the date of this assessment for it to be considered.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing
A Schedule A-1 for the 2010 General Election
A Schedule A-1 for the 1st Quarter of 2011

This committee received one $750 contribution, three $1,000 contributions, and two $1,500 contributions on 10/9/10, one $5,000 contribution on 10/25/10, one $11,130 contribution on 10/26/10, one $2,000 contribution on 1/5/11, three $1,000 contributions on 3/24/11, and two $1,000 contributions on 3/31/11 and failed to file these contributions on a Schedule A-1. The total assessment is $26,380.

The Respondent was represented by Michael Kasper at the August 10 appeal hearing. Also in attendance was Steve Wilhelmi the treasurer of the Committee.

Mr. Kasper indicated that the contributions from Sears Holding Management Corp ($750), Exelon Generating Company PAC ($1,000), IL State AFL-CIO PAC ($1,500), SFAA-PAC ($1,000), SUAAction ($1,000), and Associated General Contractors of IL PAC ($1,500) were all received prior to the Schedule A-1 reporting period and were all deposited on 10/9/10 (the deposit slip and checks are attached). Mr. Wilhelmi was not sure of the actual receipt dates during the hearing but he indicated that he would amend the December 2010 Semi-Annual Report to show the actual receipt dates.

In relation to the $5,000 contribution received from Senator John Sullivan the Committee had no defense other than they had only missed one Schedule A-1 contribution out of hundreds of contributions.

In relation to the IL Farm Bureau Activator in-kind contribution Mr. Kasper indicated that the Committee received two in-kind contribution notifications (attached) from this group and that the wrong date was entered as the receipt date for the $11,130 in-kind contribution. Mr. Kasper indicated that the 10/18/10 notification was received on 11/16/10 and that the Committee would amend the December 2010 Semi-Annual Report to reflect this receipt date.

In relation to the D Construction Inc contribution Mr. Kasper indicated that the contribution was actually received in 2010. The 1/5/11 date that was reported on the 1st Quarterly Report of 2011 was the deposit date as per Mr. Kasper. Mr. Wilhelmi also indicated that he would amend the Committee's reports to reflect the contribution was actually received in 2010.

In relation to the Ameren (3/31/11), Foresight Energy LLC (3/24/11), Titlemax (3/24/11), Dent-IL PAC (3/31/11) and IL State Medical Society PAC (3/24/11) contributions Mr. Kasper indicated that the Committee misunderstood the new law in that contributions of $1,000 or more must be filed on a Schedule A-1. The contributions were all for $1,000 and the old law in relation to Schedule A-1 contributions was in an aggregate of more than $500. Mr. Kasper stated that this can be confusing, because it was more than the amount in the old law and with the new law it includes the amount.

In relation to the Sears Holding Management Corp, Exelon Generating Company PAC, IL State AFL-CIO PAC, SFAA-PAC, SUAAction, and Associated General Contractors of IL PAC contributions Mr. Kasper indicated that these contributions were received prior to the A-1 period. The deposit slip and checks that were provided in relation to the deposit slip indicate that it appears the Committee may have used the deposit date rather than the receipt date on the Semi-Annual Report. In review of the dates the checks were written, the deposit slip and consideration of when the Schedule A-1 reporting period began it is conceivable that the checks could have been received prior to the Schedule A-1 reporting period as the Committee indicated. The actual receipt dates are not known to the hearing officer but based on the forgoing reasons I recommend the appeal be granted in regards to the Sears Holding Management Corp (10/9/10 $750), Exelon Generating Company PAC (10/9/10 $1,000), IL State AFL-CIO PAC (10/9/10 $1,500), SFAA-PAC (10/9/10 $1,000), SUAAction (10/9/10 $1,000), and Associated General Contractors of IL PAC (10/9/10 $1,500) contributions. Furthermore, I recommend the Committee amend the December 2010 Semi-Annual Report to reflect the actual receipt date of the contributions within 30 days of the Boards Final Order. Failure to comply with the said Order could subject the Committee to a penalty not to exceed $5,000.

In relation to the $5,000 contribution received from Senator John Sullivan I recommend the appeal be denied for a lack of an adequate defense. In addition, since there is no indication that this violation was anything other than inadvertent and unintentional, I also recommend that the penalty be reduced to 10% of the original assessment, or $500.

In relation to the IL Farm Bureau Activator in-kind contribution, I find it kind of hard to understand that the Committee received the 10/26/10 $57.99 in-kind contribution notification within 8 business days but it took the 10/18/10 $11,130 in-kind contribution notification 20 business days to be received. However, these are the dates the Committee indicated they received the notifications at the appeal hearing, and I therefore recommend the appeal be granted in relation to this violation. The date of 11/16/10 fell outside of the Schedule A-1 reporting period. Therefore, I further recommend the Committee amend the December 2010 Semi-Annual Report to reflect the actual receipt date of this contribution within 30 days of the Boards Final Order. Failure to comply with the said Order could subject the Committee to a penalty not to exceed $5,000.

In relation to the D Construction Inc contribution the Respondent did not have the deposit slip at the appeal hearing, however, it has since been submitted (attached). However, the deposit slip shows that the check was deposited on 1/7/11, not 1/5/11 as Mr. Kasper indicated. Therefore, the reason the Committee listed 1/5/11 as the receipt date is unknown at this time. The date on the check reflects the check was made out on 12/23/10, so it is conceivable that the check was received by the Committee in 2010, and this would correspond with the Committee's defense that they reported the wrong date. This does not prove that these contributions were received in 2010, but the date on the check backs up Mr. Kasper's defense that the contributions were received in 2010. The actual receipt dates are not known to the hearing officer but based on the check date and the Committee's attorney stating that the contributions were received in 2010 I recommend the appeal be granted in regards to the D Construction Inc contribution. I further recommend that the committee appropriately change the contribution received date for this contribution on an amended December 2010 Semi-Annual Report and then

file the subsequent Quarterly Report that will then need to be filed as a result to the contribution being reported in the prior report within 30 days of the Boards Final Order. Failure to comply with the said Order could subject the Committee to a penalty not to exceed $5,000.

In relation to the Ameren, Foresight Energy LLC, Titlemax, Dent-IL PAC and IL State Medical Society PAC contributions the Committee's misunderstanding of the new law is not an excuse for failing to file required reports. Section 5/9-10 (c) of the Campaign Disclosure Act states that *"A political committee shall file a report of any contribution of **$1,000 or more** electronically with the Board within 5 business days after receipt of the contribution, except that the report shall be filed within 2 business days after receipt if (i) the contribution is received 30 or fewer days before the date of an election and (ii) the political committee supports or opposes a candidate or public question on the ballot at that election or makes expenditures in excess of $500 on behalf of or in opposition to a candidate, candidates, a public question, or public questions on the ballot at that election.* Therefore, I recommend the appeal be denied for a lack of an adequate defense. In addition, since there is no indication that this violation was anything other than inadvertent and unintentional, I also recommend that the penalties be reduced to 50% of the original assessment, or $1,750.

If these recommendations are accepted by the Board, a $2,250 civil penalty will be due and owing. (As of 6/30/11, this Committee reported a funds available balance of $45,070.81.)

Dear Friends of "AJ" Wilhelmi:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act (2010):

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Sears Holding Management Corp	10/9/10	$750	$750	n/a	n/a
Exelon Generating Company PAC	10/9/10	$1,000	$1,000	n/a	n/a
IL State AFL-CIO PAC	10/9/10	$1,500	$1,500	n/a	n/a
Senator John Sullivan	10/25/10	$5,000	$5,000	n/a	n/a

IL Farm Bureau Activator	10/26/10	$11,130	$11,130	n/a	n/a

The committee is fined a **total** of $22,880 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $2288. (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

In addition, the committee has also failed to file the following Schedule A-1's, Report of Campaign contributions of $1000 or more as required by the Illinois Campaign Disclosure Act (2011):

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Ameren	3/31/11	$1000	$1000	*	n/a
D Construction Inc	1/5/11	$2000	$2000	*	n/a
Foresight Energy LLC	3/24/11	$1000	$1000	*	n/a
Titlemax	3/24/11	$1000	$1000	*	n/a
Dent-IL PAC	3/31/11	$1000	$1000	*	n/a
IL State Medical Society PAC	3/24/11	$1000	$1000	*	n/a

The committee is fined a **total** of $7000 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(c) of the Election Code, the Board may impose fines for violations not to exceed 50% of the total amount of the contribution(s) that were untimely reported.

Since this is the second delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $1750, (25% of the total amount of contribution(s) reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period has expired. This amount must be paid, including any previously assessed fines, within 30 days of the issuance of the Order.

Enclosed, please find Section 125.425 *Civil Penalty Assessments* and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

If you do not appeal this assessment, you must pay your fine within 30 days of the Final Board Order. However, you may also elect to pay the fine at this time. You may mail or deliver payments to the State Board of Elections, Attn: Campaign Disclosure, 1020 S Spring Street, Springfield, IL 62704.

If you have any questions regarding the appeal procedure, please call Jennifer Ronimous at 217-782-1543.

Sincerely,

Sharon Steward

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for
Failing to File a Schedule A-1 for the 2010 General Primary
Delinquently Filing the June 2010 Semi-Annual Report

This committee received one contribution of $2,975 on 1/1/10 and one contribution of $2,010 on 1/20/10 and failed to list them on a Schedule A-1, resulting in a civil penalty assessment of $4,985. This committee also delinquently filed the June 2010 Semi-Annual Report 42 days late, resulting in a civil penalty of $2,100. The total assessment is $7,085.

The Respondent was represented by Andrew Finko at the August 10 appeal hearing. Also in attendance was Laura Grochocki, the treasurer of the committee, and William Kelly, the candidate of the committee.

Laura Grochocki indicated that that the MCM Properties in-kind contribution was accidently reported by the accountant that the Committee hired. The Committee estimated the value of space that was given to them and they had reported this estimate for the space on 9/1/09. The estimated value the Committee reported in 2009 included the use of the facility through the beginning of 2010. Therefore, the Committee did not receive an additional in-kind in 2010 and the accountant should not have included the in-kind contribution on the June 2010 Semi-Annual Report. Ms. Grochocki indicated that the Committee was going to file an amended report removing the 1/1/10 in-kind contribution from MCM Properties.

In relation to the Laura Grochocki 1/20/10 loan for $2,010 Laura indicated that she had booked a media buy in 2009 for a tv ad that was to be aired prior to the election in 2010 and she used her credit card to hold the slot. The credit card was not charged until 1/20/10 and that is how the loan came about. Ms. Grochocki did not know when she was going to be charged or when she was charged until she saw her credit card statement. Furthermore, she did not realize that the credit card charge would equate to her loaning the Committee funds and that this transaction would require her to file a Schedule A-1. The Committee did not receive any funds so she did not make a correlation between the credit card payment and a loan to the Committee. Furthermore, when she put down her credit card to hold the space she considered that a pledge to the Committee and since the pledge was not during the Schedule A-1 period she requests the Board take this into consideration.

In relation to the Committee filing the June 2010 Semi-Annual Report late the committee was looking for an accountant that had knowledge of campaign disclosure matters and one that would have cost less money than the accountant that they were using. The Committee was not happy with the accountant that they had previously used and the accountant cost too much. The Committee had to go back to the accountant, because they could not find anyone else to file the reports and they just did not have enough time and or resources to do it themselves. Ms. Grochocki indicated that the Committee was not trying to

hide anything and this was not done intentionally. She stated that the Committee was rather small and that they just did not have enough time or money.

In relation to the MCM Properties violation I recommend the appeal be granted. The Committee had already reported on a prior report an in-kind contribution for the value of the office space and that would negate the in-kind on the June 2010 Semi-Annual Report. I further recommend that the committee appropriately amend the June 2010 Semi-Annual Report and remove the MCM Properties in-kind contribution that was reported on 1/1/10 within 30 days of the Boards Final Order.

In relation to the $2,010 loan from Laura Grochocki the Committee reported the transaction as of the date the credit card was charged and that is consistent with how the State Board of Elections staff recommends these type of transactions to be reported. It is unfortunate the Committee was unaware of when the credit card was actually charged but I believe they should reasonably have known that the credit card was going to be charged when the ad was aired prior to the election. Therefore, I recommend the appeal be denied for lack of an adequate defense. However, since there is no indication that these violations were anything other than inadvertent and unintentional, I also recommend that the civil penalty be reduced to 10% of the original amount, or $201.

In relation to the June 2010 Semi-Annual Report being late I recommend the appeal be denied for lack of an adequate defense. It is unfortunate that the Committee could not find another accountant that was more reasonably priced, but it is ultimately the Committee's responsibility to ensure reports are timely filed. The civil penalty for the delinquent filing of the Semi-Annual Report would be $2,100.

If these recommendations are accepted by the Board, a $2,301 civil penalty will be due and owing. (As of 6/30/11, this Committee reported a funds available balance of $981.86.)

Dear Committee:

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contributions and Expenditures
Report Period:	January 1, 2010 through June 30, 2010
Filing Period:	July 1, 2010 through July 20, 2010

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on September 17, 2010, 42 day(s) late. As such, this committee has been assessed a fine of $2100.00.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

Since this is a first time violation, the assessed civil penalty will be ***stayed***. Any subsequent violation of any provision of Article 9 of the Election Code or of a Board Order shall result in the assessment of an additional penalty as provided in Section 125.425 of the Rules and Regulations governing the State Board of Elections, with that civil penalty and any previously assessed penalty to be paid within 30 days. Therefore, you need not pay this assessed civil penalty unless another violation occurs. If you have questions regarding the appeal process, please call Sue Klos at 217/782-0608.

Sincerely,

Rupert T. Borgsmiller
Assistant Executive director

Dear Friends of William J Kelly;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Laura Grochocki	1/20/10	2010.00	2010.00	*not filed	7
MCM Properties	1/1/10	2975.00	2975.00	*not filed	19

The committee is fined a **total** of $4985.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $499.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the date of this assessment for it to be considered.

APPEAL AFFIDAVIT

Laura Grochocki, Treasurer of the Friends of William J. Kelly Committee, first being duly sworn deposes and states that she represents that the said committee can offer a good reason or defense to the assessment of a civil penalty in this matter, and that such reasons and defenses are:

(1) This Committee was created in August 2009, after William J. Kelly decided to seek elected office in the February 2010 general primary election, and was comprised of William J. Kelly as chairman and Laura Grochocki as treasurer;
(2) I agreed to temporarily take on the position of treasurer to support my husband's campaign, though it was always our intention to find someone that was more experienced and knowledgeable as a treasurer to step in and take on all reporting and other duties of treasurer;
(3) In August 2009 we started campaigning and obtained a rough unfinished space from MCM Properties, that was previously vacant, to use as an office;
(4) The landlord allowed the use of the space from August 2009 through after the election in February 2010 based upon a verbal authorization, in exchange for keeping the premises clean and occupied, with no rent requested or paid for the space;
(5) Based upon my review of rental rates for similarly sized spaces and my personal familiarity with the condition of the actual space that was provided to the Committee, I estimated seven months of rent (approx. 8/2009 – 3/2010) for that space would be valued at $425 per month which was included as a lump sum amount of $2,975 in the Committee's reports;

(6) The in-kind amount of $2,975 on 1/1/2010 from MCM Properties reported on the Committee's semi-annual Form D-2 (1/1/10 – 6/30/10) is a duplicate and erroneous entry of the same $2,975 on 9/1/2009 reported on the Committee's semi-annual Form D-2 (7/1/2009 – 12/31/2009);

(7) The Committee did not receive $2,975 in actual money donations from MCM Properties on 9/1/2009 or 1/1/2010, nor did the Committee ever receive a one-time, in-kind contribution valued at $2,975;

(8) In December 2009, I pledged a loan to the Committee in the sum of up to $2,000 for the purchase of advertising time – that is, I agreed to pay for the purchase of advertising whenever the invoice came due, though no money was transferred to the Committee at that time, which then allowed us to start production/preparation of an advertising spot in Dec. 2009 – Jan. 2010;

(9) In January 2010 I honored my loan pledge to the Committee and paid the cost for adverting time when that invoice came due;

(10) The foregoing pledged loan I made to the Committee has been repaid;

(11) Based upon my interpretation of the campaign finance reporting provisions, I did not believe that the loan which I pledged in December 2009 or the approximately seven months of estimated rent were required to be reported on Form A-1's, and since no money was actually given to the Committee when I made the pledge, it was not required to be reported on the Form D-2;

(12) Any failure on my part to file any forms was due to my inexperience and inadvertence;

(13) I was delayed in filing the semi-annual report because I had tried to hire a new accountant to prepare the semi-annual report but could not readily find someone experienced in this type of work within our budget;

(14) I was also delayed in filing the semi-annual report because I had tried to obtain from MCM Properties documentation for the actual rental value of the space used by the Committee, but the landlord failed to respond and failed to provide the requested information, leaving me no alternative but to approximate a value.

Dear Board Members,

RE: Committee #22494

Thank you for your decision to settle my fine earlier this year, however, I find it imperative that I run again for Illinois Senate in the 34th District. The race was too close to give up. (I was within 2,000 votes of an 18-year incumbent.)

My current balance is $13,581.99. As I am a newcomer in the political arena without the extensive financial support of my opponents I am, again, asking for leniency. If you could lower/forgive the amount of my fine I would appreciate it.

If not, I understand I could pay 1/3 of the fine now and make monthly payments.

Down payment = $4527.33
October = $3018.22
November = $3018.22
December = $3018.22

Thank you for your time and consideration.

Sincerely,

Marla Wilson

INTEROFFICE MEMORANDUM

To: Mark Mossman

From: Brent Davis

Subject: August Monthly eCanvass Report

Date: 9/8/2011

August updates for the eCanvass:

- Dominion Voting Systems – We have submitted a finalized data request to be applied to the Cook County and City of Chicago systems. We are awaiting a response from Dominion regarding the resources and timeline that will be required. Dominion is also reviewing what resources will be necessary for similar data exports to be produced through the GEMS systems in Illinois which are licensed through their company. Catalyst Consulting will continue to work with Dominion for the delivery of this data.

- Hart Intercivic, Inc. – The eCanvass technical team has concluded that the necessary data is all available from a standard HVS (Hart Voting System) export. SBE IT staff is continuing to work with this data so that we will be able to process the file and properly recognize all offices, candidates, and vote totals contained in the file. HVS is used in Peoria County, City of Peoria, and Kane County.

- SBE IT staff has designed a preliminary database architecture design to process and store the election data obtained through the eCanvass system. As development continues this will continue to be tweaked in order to serve both the business needs of the agency as well as the technical needs associated with the project.

- Catalyst and SBE IT staff met on multiple occasions to work out technical details of integration into IVRS, and the mechanisms for election data to be transferred into a permanent SBE repository.

- Catalyst will now begin development on IVRS integration of the eCanvass system.

- The eCanvass team will continue to work with ES&S to ensure that their tabulation products will work with the data and reporting requirements of the eCanvass system.

Re: 2012 Circuit Court Judge Elections, SB 63 (PA 97-585), SB 1568 (PA 97-81), PA 96-108 And The 2010 Census

Date: September 7, 2011

The State Board of Elections declares vacancies for new judicial positions arising from legislation (as opposed to conversions from at-large or resident positions to subcircuit positions, which are declared by the state's Supreme Court).

As detailed herein below, it would appear that the appropriate action of the SBE to implement recent legislatively created positions would be to certify the following for the 2012 elections:

16th Judicial Circuit	2rd Subcircuit	Additional Judgeship A
19th Judicial Circuit	2rd Subcircuit	Additional Judgeship A
	3rd Subcircuit	Additional Judgeship B[1]
23rd Judicial Circuit	Resident, Kendall County	Additional Judgeship A[2]

In addition, when certifying the ballot for the 2012 primary, any 16th Judicial Circuit at-large or subcircuit vacancies should be certified solely to Kane County.[3]

---

[1] The 19th Judicial Circuit, 3rd Subcircuit seat is designated as "Additional Judgeship B" because the Supreme Court has already designated a new position arising from the conversion of an existing circuit court position to a subcircuit position, and that position will appear as "Additional Judgeship A".

[2] The split of the current 16th Judicial Circuit into the new 16th and 23rd Judicial Circuits is not fully effective until December 3, 2012, but the SBE certified the ballot and conducted the election using the new nomenclature with the previous judicial circuit split (the old 19th Judicial Circuit into the current 19th and 22nd Judicial Circuits), and the specifics of this particular split make continuing this practice advisable.

[3] Any county based resident judge vacancies would be certified solely to the appropriate county.

Senate Bill 63 which became PA 97-585 (hereinafter "SB 63") was signed by Governor Quinn on Monday, August 29, 2011, and Senate Bill 1568 which became PA 97-81 (hereinafter the "Omnibus Bill") was signed on Tuesday, July 5, 2011.[4]

SB 63 amended the Circuit Courts Act (705 ILCS 35/0.01 et seq., hereinafter the "Courts Act") to split the 16th Judicial Circuit into 2 circuits as of December 3, 2012. The 16th Judicial Circuit currently consists of Kane, DeKalb and Kendall Counties. After December 3, 2012, the reconstituted 16th Judicial Circuit will consist solely of Kane County and there will be a new 23rd Judicial Circuit comprised of DeKalb and Kendall Counties. SB 63 also revised the subcircuit system for the reconstituted 16th Judicial Circuit[5] and added two new judgeships for 2012, a new subcircuit judge for Subcircuit 2 and a new county based resident judge position for Kendall County.

It is important to note that SB 63 also included the following language in the new 705 ILCS 35/2f-10(e):

> "*The Supreme Court shall assign to the [reconstituted] 16th circuit the 7 circuit judgeships elected at large in the 16th circuit before and at the 2012 general election*. The 3 resident judgeships elected from Kane County before the 2012 general election shall become at large circuit judgeships on December 3, 2012. *An individual seeking election to one of the 7 judgeships at large* or a judge seeking retention to one of the 7 judgeships at large at the 2012 general election *shall seek election* or retention *solely within the boundaries of Kane County*." (Emphasis added)

Thus, for the purposes of conducting the 2012 elections, the legislature has effectively implemented the split of the old circuit into the reconstituted 16th Judicial Circuit (Kane County only) and the new 23rd Judicial Circuit (DeKalb and Kendall Counties). This is particularly significant in light of the existence of an at-large position (the vacancy of the Honorable Michael J. Colwell, who retired and whose position the Supreme Court has already certified for the 2012 election). The Colwell vacancy, and any at large vacancies or retentions for the 16th Judicial Circuit, should be certified for the ballot solely in Kane County.

The Omnibus Bill made numerous changes to the Election Code and several other election related provisions in other acts, including a clarification to Courts Act with regard to created judicial positions in the "old 16th Circuit", but did not change the substance of the matters discussed above.

PA 96-108 (enacted in 2009) created 2 new judicial subcircuit positions in the 19th Judicial Circuit to be elected in 2012. Based upon the subcircuit positions which have been filled to

---

[4] The Omnibus Bill amended the provisions of SB 63, although the Governor signed Omnibus Bill prior to SB 63.

[5] The present 16th Judicial Circuit consists of 5 relatively recently created subcircuits, the 1st, 2nd and 4th Subcircuits being wholly with Kane County (lying along the eastern county line). The 3rd Subcircuit consists of Kendall County, southern DeKalb County and southwestern Kane County. The 5th Subcircuit consists of northern DeKalb County and northwestern Kane County. The first 4 subcircuits have elected subcircuit judges (the 5th Subcircuit has not yet elected a judge). The elected 3rd Subcircuit judge is a Kane County resident. SB 63 provides for 4 subcircuits in the reconstituted 16th Judicial Circuit. These will consist of the current 16th Judicial Circuit's 1st, 2nd and 4th Subcircuits and a new 3rd subcircuit consisting of the remainder of Kane County (the Kane County portions of the old 3rd and 5th Subcircuits). The previously elected subcircuit judges carry over into the new subcircuits with the current 3rd Subcircuit judge carrying over into the newly constituted 3rd Subcircuit.

date under that act, it would appear that the new ones for 2012 will go to the 2nd and 3rd Subcircuits.

The Courts Act has several provisions that award additional judicial positions based upon certain criteria involving the population of the circuit (sometimes in conjunction with other factors).[6]

A review of the county by county Census data indicates that none of the Courts Act provisions generating additional judicial positions due to population were triggered so as to require new judgeships for the 2012 elections.

The General Assembly did leave an issue as to the staffing for the new 23rd Judicial Circuit which will need to be addressed prior to the 2014 elections. SB 63 and the Omnibus Bill appear to envision the new circuit being staffed entirely by county based resident judges from DeKalb and Kendall Counties. No provision is made for the election of full circuit or "at large" judges at any point in the future as to the new 23rd Judicial Circuit.

However, neither piece of legislation amended 705 ILCS 35/2, which provides that each circuit shall have at least 3 full circuit judges. The General Assembly has made explicit provision in the past when it intended to limit or alter the application of 705 ILCS 35/2 to a circuit (when the old 19th Judicial Circuit was split into the current 19th and 22nd Judicial Circuits) but has not done so here.

Once the 23rd Judicial Circuit comes into existence in December of 2012, it would appear to be short of its compliment of 3 full circuit or "at large" judges under the current structure of the Courts Act (unless it is further amended before that time). This issue has already been brought to the attention of the respective leadership staff of General Assembly.

Kenneth R. Menzel
Deputy General Counsel

[6] By way of example, 705 ILCS 35/2 includes the following:
"in circuits ...containing a population of 230,000 or more inhabitants and in which there is included a county containing a population of 200,000 or more inhabitants ...4 circuit judges shall be elected.... In circuits ... in which each county in the circuit has a population of 475,000 or more, 4 circuit judges shall be elected in addition to the 4 circuit judges provided for in this Section. In any circuit composed of 2 counties having a total population of 350,000 or more, one circuit judge shall be elected in addition to the 4 circuit judges provided for in this Section."

INTEROFFICE MEMORANDUM

From:	Dianne Felts, Director of Voting Systems and Standards (VOSS)
Subject:	ES&S requests approval of four engineering change orders (de minimis)
Date:	August 25, 2011

ES&S requests the Board to approve four engineering change orders for their equipment; three on the M100 in-precinct optical scan tabulator and one for the Auto-MARK, a ballot marking piece of equipment that is for the disabled voting community. The changes have been reviewed by a federally certified testing laboratory. The lab has determined that the changes do not warrant them to test. The Engineering Change Orders #s 858,860 and 865 involve the M100. The ECO #858 is a substitution of the clock chip on the main board of the M100, it is now RoHS compliant which means it is produced with restriction of hazardous substances); the ECO # 860 is another clock chip that is added, the reason for the change is a different manufacturer; and ECO #865 is a different designation of a part number because the original manufacturer has been bought out. The last ECO#861 deals with the Auto-MARK; it changed the adhesive used to attach the Mylar to the glass on the touch screen of the Auto-MARK.

VOSS recommends Board approval.

I have enclosed on CD a description of each approved ECO and any applicable test reports provided by the VSTL with respect to each ECO.

In accordance with ES&S company policy, ES&S requests written approval from the State of Illinois for incorporation and use of the hardware changes identified in the enclosed ECOs. By approving the ECOs you agree to allow ES&S to incorporate and use the ECO changes in the State's currently certified voting system. Please be advised that ES&S may not be able to provide voting system components nor provide repair or maintenance services to the State's currently certified voting systems components that are subject to the ECOs set forth herein until ES&S receives the State's written approval of the ECO changes.

Re: Update on the metes and bounds project

Date: September 8, 2011

On August 9th, Bob Lindquist of GIS Solutions downloaded the software and installed all the necessary layers of data for us to start working on the metes and bounds (also known as legal descriptions, which is text used to describe a boundary for a particular legislative or congressional district) project as required by Public Acts 97-6, 97-14 and 97-15. As of Sept. 8th, we have completed the metes and bounds descriptions for 53 of the representative districts. Once the representative districts have been completed, the senate districts should come together very quickly. After the Senate lines are described we will start on the new congressional district lines followed by the new Cook County Board of Review district lines. I will have an update of this project for the Board meeting scheduled September 19th.

Our goal is to have this phase of the project completed by the end of September.

The other phase of this project is the development of an interactive map to be located on the State Board of Elections website. This feature will incorporate Bing maps, and will provide the user the ability to display a point on the map based on the entry of an address as well as the geographic depiction of the newly drawn Congressional, Legislative, and Representative districts boundaries. Additionally, following the General Election of 2012, all contact information will be displayed for the representatives elected to those districts. We are planning to release this feature to the public September 15th.

RE: Site Visits

DATE: September 7, 2011

The State Board of Elections received a single audit finding in 2006 which indicated it was not monitoring subrecipients of HAVA funding adequately. The finding required the SBE to establish procedures and conduct on-site visits of all subrecipient jurisdictions.

In December of 2009 HAVA Operations staff conducted the first site visit of the City of Chicago. Since that time we have conducted 23 site visits with 11 more to be conducted during the months of September, October and November. Attached is a listing of site visits already conducted and to be conducted during the remaining months of this year.

Prior to the visit we review the jurisdiction's inventory sheet and randomly pick twenty-five percent of the jurisdiction's voting equipment to physically locate during our site visit. We also review the jurisdiction's grant files and determine other items we want to locate. If a jurisdiction has an item at a polling place we may visit the polling place to determine that it was indeed purchased and installed.
