For the past few years I have received numerous letters from the Board of Elections identifying myself as the Committee President for the 16th Ward Regular Democratic Organization. I had hoped that on the many occasions I have spoken with staff from your Chicago office, that I had made it clear that I had not acted in that capacity since sometimes in the early to mid 1990's.

The Board of Elections also requested of me the June 2007 Semi Annual Report of Campaign Contributions and Expenditures. I have not participated in the compilation of any reports to your office since the early to mid 1990's

I have stated to your staff that as far as I am aware, all financial records including those for the period you are requesting were turned over to the 16th Ward Alderman/Committeeman at her request. Deborah Turner, the Alderman's' former Chief of Staff and I are in agreement those documents were in the possession of Shirley A. Coleman at the time the 16th Ward facility cease to conduct business as a P.A.C.

I am hopeful this information will aid you in resolving this issue.

Sincerely Your

James B. Evans
